HIGHLIGHTS/SUMMARY OF THE SCHEME

Name of the Schemes	IIFL Liquid Fund
Scheme Code	IIFL/O/D/LIF/13/05/0002
Type of the Scheme	An open-ended liquid scheme. A relatively high interest rate risk and relatively high credit risk
Investment Objective	To provide liquidity with reasonable returns commensurate with low risk through a portfolio of money market and debt securities with residual maturity of up to 91 days. However, there can be no assurance that the investment objective of the scheme will be achieved.
Liquidity	Being an open-ended Scheme, units may be redeemed on every business day at NAV based prices. As per the Regulations, the Fund shall dispatch redemption proceeds within 3 business days (working days) of receiving the redemption request.
Plans / Options for Investment	<p>I. PLAN: Regular Plan and Direct Plan</p> <p>II. OPTION The Scheme has the following Options under each of above plans: Growth Option: This option is suitable for investors who are not looking for current income but who invest only with the intention of capital appreciation. Income Distribution cum Capital Withdrawal (IDCW) Option: This option is suitable for investors seeking income through IDCW declared by the Scheme. Under this Option, the Scheme will endeavor to declare IDCW from time to time. The IDCW shall be dependent on the availability of distributable surplus. The IDCW can be distributed out of investors capital (equalization reserve), which is part of sale price that represents realized gains</p> <p>The Income Distribution cum Capital Withdrawal (IDCW) Option has the following Facilities: Re-investment of Income Distribution cum Capital Withdrawal option (IDCW Re-investment) Facility (available for Daily, Weekly frequency) Payout of Income Distribution cum Capital Withdrawal option (IDCW Payout) Facility (available for Weekly frequency)</p> <p>In cases where the investor fails to opt for a particular Option at the time of investment, the default Option will be Growth. If the investor chooses Income Distribution cum Capital Withdrawal (IDCW) Option and fails to mention facility / frequency then the default facility will be Reinvestment and the default frequency will be Weekly.</p> <p>If IDCW payable under Payout of Income Distribution cum Capital Withdrawal option (IDCW Payout) option is equal to or less than Rs. 500/- then the IDCW would be compulsorily reinvested in the option of the Scheme</p> <p>The Regular Plan and Direct Plan including all options there under will have a common portfolio of investments.</p>

I. INTRODUCTION

A. RISK FACTORS

Standard Risk Factors:

- Investment in Mutual Fund Units involves investment risks such as trading volumes, settlement risk, liquidity risk, default risk including the possible loss of principal and there is no assurance or guarantee that the objectives of the Scheme will be achieved.
- As the price/value/interest rates of the securities in which the Scheme invests fluctuates, the value of your investment in the Scheme may go up or down. The value of investment in the scheme may be affected, by change in the market, interest rates, change in credit rating, trading volumes, and settlement period and transfer procedures. The NAV is also exposed to Price/Interest Rate Risk and credit risk and may be affected inter-alia by the government policy, volatility and liquidity in the money market.
- Past performance of the Sponsors/AMC/Mutual Fund does not guarantee the future performance of the Scheme.
- The name of the Scheme does not in any manner indicate either the quality of the Scheme or its future prospects and the returns. Investors are therefore urged to study the terms of offer carefully and consult their Investment Advisor before they invest in the Scheme.

The Sponsor is not responsible or liable for any loss or shortfall resulting from the operation of the Scheme beyond the initial contribution made by it of an amount of Rs. 1 Lac towards setting up of the Mutual Fund. The present Scheme is not a guaranteed or assured return Scheme. The Mutual Fund is also not assuring that it will make periodical IDCW/bonus distributions, though it has every intention of doing so. All IDCW/bonus distributions are subject to the availability of distributable surplus of the Scheme

Scheme Specific Risk Factors

The performance of the Scheme may be affected by changes in macroeconomic factors such as Government policies, general levels of interest rates and risks associated with trading volumes, liquidity and settlement systems. Below mentioned are the risks to the portfolio:

Interest Rate/Price risk: This risk is associated with movements in interest rate, which depend on various factors such as government borrowing, inflation, economic performance etc. The values of investments will appreciate/depreciate if the interest rates fall/rise. Generally, when interest rates rise, prices of fixed income securities fall and when interest rates drop, the prices generally increase. The extent of fall or rise in the prices depends upon factors such as coupon, residual maturity of the security, micro and macroeconomic scenario as well as the yield level at which the security is being traded.

Credit Risk/Default risk: Credit risk is the risk that the issuer of a debenture/ bond or a money market instrument may default on interest &/or principal payment obligations. This risk arises due to any uncertainty in counterparty's ability or willingness to meet its contractual obligations. Even when there is no default, the price of a security may change with expected changes in the credit rating of the issuer. Corporate bonds carry a higher credit risk than Government Securities. Within corporate bonds as well, there are different levels of safety. Credit risks of most issuers of debt securities are rated by independent and professionally run rating agencies. Ratings of Credit issued by these agencies typically range from

“AAA” (read as “Triple A” denoting “Highest Safety”) to “D” (denoting “Default”), with about 6 distinct ratings between the two extremes. A bond rated higher by a particular rating agency is safer than a bond rated lower by the same rating agency. The highest credit rating (i.e. lowest credit risk) commands a lower yield for the borrower. Conversely, a lower rated credit borrower would raise funds at a relatively higher cost. On account of a higher credit risk for lower rated borrowers, lenders prefer higher rated instruments further justifying the lower yields.

Re-investment Risk: Investments in fixed income securities may carry re-investment risk as interest rates prevailing on the interest or maturity due dates may differ from the original coupon of the bond. Consequently, the proceeds may get invested at a lower rate.

Spread Risk: In a floating rate security the coupon is expressed in terms of a spread or mark up over the benchmark rate. In the life of the security this spread may move adversely leading to loss in value of the portfolio. The yield of the underlying benchmark might not change, but the spread of the security over the underlying benchmark might increase leading to loss in value of the security.

Counterparty Risk: This is the risk of failure of counterparty to the transaction to deliver securities against consideration received or to pay consideration against securities delivered, in full or in part or as per the agreed specification. There could be losses to the scheme in case of counterparty default.

Inflation risk: Inflation, in most basic terms, erodes the purchasing power of money and also withers the value of existing investments; in other words, it reduces the purchasing power of a bond investor’s future interest payments and principal, collectively known as “cash flows.” Inflation also leads to higher interest rates, which in turn leads to lower bond prices.

Liquidity risk: The liquidity of a bond may change depending on market conditions leading to changes in the liquidity premium linked to the price of the bond. At the time of selling the security, the security can become illiquid leading to loss in the value of the portfolio. There could therefore be difficulties in exiting from corporate bonds in times of uncertainties. Liquidity in a scheme therefore may suffer.

Liquidity Risk on account of unlisted securities: The liquidity and valuation of the Scheme investments due to their holdings of unlisted securities may be affected if they have to be sold prior to their target date of divestment. The unlisted security can go down in value before the divestment date and selling of these securities before the divestment date can lead to losses in the portfolio.

Settlement Risk: Fixed income securities run the risk of settlement which can adversely affect the ability of the fund house to swiftly execute trading strategies which can lead to adverse movements in NAV.

Risk of Rating Migration: It may be noted that the price of a rated security would be impacted with the change in rating and hence, there is risk associated with such migration. **Reduction in rating grade may affect the yields of a particular instrument in which Schemes has invested.**

Risk Associated with Securitized Debt and PTC

The Scheme may invest in domestic securitized debt such as Asset Backed Securities (“ABS”) or Mortgage Backed Securities (“MBS”). ABS are securitized debts where the underlying assets are receivables arising from various loans including automobile loans, personal loans, loans against consumer durables, etc. MBS are securitized debts where the underlying assets are receivables arising from loans backed by mortgage of residential / commercial properties. At present in Indian market, following types of loans are securitized:

1. Auto Loans (cars / commercial vehicles /two wheelers)
2. Residential Mortgages or Housing Loans
3. Consumer Durable Loans
4. Personal Loans

5. Corporate Loans

In terms of specific risks attached to securitization, each asset class would have different underlying risks. Residential Mortgages generally have lower default rates than other asset classes, but repossession becomes difficult. On the other hand, repossession and subsequent recovery of commercial vehicles and other auto assets is fairly easier and better compared to mortgages. Asset classes like personal loans, credit card receivables are unsecured and in an economic downturn may witness higher default. The rating agency defines margins, over collateralization and guarantees to bring risk in line with similar AAA rated securities. The factors typically analyzed for any pool are as follows:

- a. **Assets securitized and Size of the loan:** This indicates the kind of assets financed with the loan and the average ticket size of the loan. A very low ticket size might mean more costs in originating and servicing of the assets.
- b. **Diversification:** Diversification across geographical boundaries and ticket sizes might result in lower delinquency.
- c. **Loan to Value Ratio:** Indicates how much % value of the asset is financed by borrower's own equity. The lower this value the better it is. This suggests that where the borrower's own contribution of the asset cost is high; the chances of default are lower.
- d. **Average seasoning of the pool:** This indicates whether borrowers have already displayed repayment discipline. The higher the number, the more superior it is.

The other main risks pertaining to Securitized debt are as follows:

Prepayment Risk: This arises when the borrower pays off the loan sooner than expected. When interest rates decline, borrowers tend to pay off high interest loans with money borrowed at a lower interest rate, which shortens the average maturity of ABS. However, there is some prepayment risk even if interest rates rise, such as when an owner pays off a mortgage when the house is sold or an auto loan is paid off when the car is sold.

Reinvestment Risk: Since prepayment risk increases when interest rates decline, this also introduces reinvestment risk, which is the risk that the principal can only be reinvested at a lower rate.

Risk Associated with Derivatives

Derivatives product are leveraged instruments and can provide disproportionate gains as well as disproportionate losses to the investor. Execution of such strategies depends upon the ability of the fund manager to identify such opportunities. Identification and execution of the strategies to be pursued by the fund manager involve uncertainty and decision of fund manager may not always be profitable. No assurance can be given that the fund manager will be able to identify or execute such strategies.

The risks associated with the use of derivatives are different from or possibly greater than, the risks associated with investing directly in securities and other traditional investments.

As and when the Scheme trades in derivative products, there are risk factors and issues concerning the use of derivatives that investors should understand. Derivatives require the maintenance of adequate controls to monitor the transactions and the embedded market risks that a derivative adds to the portfolio. Besides the price of the underlying asset, the volatility, tenor and interest rates affect the pricing of derivatives.

Basis Risk: This is when the instrument used as a hedge does not match the movement in the instrument / underlying asset being hedged. The risks may be inter-related also; for e.g. interest rate movements can affect security prices, which could influence specific issuer / industry assets

Other risks in using derivatives include but are not limited to:

Credit Risk – this occurs when a counterparty defaults on a transaction before settlement and therefore, the Scheme is compelled to negotiate with another counter party, at the then prevailing (possibly unfavorable) market price, in order to maintain the validity of the hedge. For exchange traded derivatives, the risk is mitigated as the exchange provides a guaranteed settlement, but one takes the performance risk on the exchange.

Market Liquidity risk where the derivatives cannot be sold (unwound) at prices that reflect the underlying assets, rates and indices.

Model Risk, the risk of mis–pricing or improper valuation of derivatives.

Trading in derivatives carry a high degree of risk although they are traded at a relatively small amount of margin which provides the possibility of great profit or loss in comparison with the principal investment amount.

The Scheme may find it difficult or impossible to execute derivative transactions in certain circumstances. For example, when there are insufficient bids or suspension of trading due to price limit or circuit breakers, the Scheme may face a liquidity issue. The Scheme bears a risk that it may not be able to correctly forecast future market trends or the value of assets, indexes or other financial or economic factors in establishing derivative positions for the Scheme.

The derivatives market in India is nascent and does not have the volumes that may be seen in other developed markets, which may result in volatility in the values.

Interest Rate Swaps (IRS) are highly specialized instruments that require investment technique and risk analysis different from those associated with equity shares and other traditional securities. The use of a IRS requires not only an understanding of the referenced asset, reference rate, or index but also of the swap itself, without the benefit of observing the performance of the swap under all possible market conditions. Swap agreements are also subject to liquidity risk, which exists when a particular swap is difficult to purchase or sell. Swap agreements may be subject to pricing risk, which exists when a particular swap becomes extraordinarily expensive (or cheap) relative to historical prices or the prices of corresponding cash market instruments. IRS agreements are also subject to counterparty risk on account of insolvency or bankruptcy or failure of the counterparty to make required payments or otherwise comply with the terms of the agreement.

Risks associated with Securities Lending

Securities Lending is a lending of securities through an approved intermediary to a borrower under an agreement for a specified period with the condition that the borrower will return equivalent securities of the same type or class at the end of the specified period along with the corporate benefits accruing on the securities borrowed.

In case the Scheme undertakes stock lending as prescribed in the Regulations, it may, at times be exposed to counter party risk and other risks associated with the securities lending. Unitholders of the Scheme should note that there are risks inherent to securities lending, including the risk of failure of the other party, in this case the approved intermediary, to comply with the terms of the agreement entered into between the lender of securities i.e. the Scheme and the approved intermediary. Such failure can result in the possible loss of rights to the collateral put up by the borrower of the securities, the inability of the approved intermediary to return the securities deposited by the lender and the possible loss of any corporate benefits accruing to the lender from the securities lent. The Fund may not be able to sell such lent securities and this can lead to temporary illiquidity.

RISK MITIGATION MEASURES

The investment team of the AMC takes an active view on the key drivers affecting interest rate scenario. Investment views / decisions will be based on an analysis of macroeconomic and other relevant factors to estimate the direction of interest rates and level of liquidity, in an attempt to optimize the risk adjusted returns on the portfolio. Portfolios are rebalanced on a dynamic basis as per the objective of the scheme to optimize returns whilst managing risks at all points in time.

The credit quality of the portfolio is maintained and monitored using in-house research capabilities as well as inputs from external sources such as independent credit rating agencies.

Whilst all risks such as interest rate risk, liquidity risk, default risk, reinvestment risk, etc. cannot be eliminated, they may be minimized through diversification, research and effective use of hedging techniques. The AMC would incorporate adequate safeguards to minimize above mentioned risks in the portfolio construction and management process.

To achieve this, an internal Investment Committee meets regularly to provide overall guidance for the investment management process. The committee periodically reviews investment strategies and adherence to scheme objectives and restrictions. The Investment Committee Periodically reviews the investment strategies and philosophy and adherence to all scheme parameters.

B. REQUIREMENT OF MINIMUM INVESTORS IN THE SCHEME

The Scheme shall have a minimum of 20 investors and no single investor shall account for more than 25% of the corpus of the Scheme.

On an on-going basis the Scheme should have a minimum of 20 investors and no single investor should account for more than 25% of the corpus of such scheme within a period of three months or at the end of the succeeding calendar quarter, whichever is earlier from the close of the New Fund Offer (NFO). After the NFO and the 3 months balancing period, in each subsequent quarter thereafter, on an average basis, the scheme shall meet with both the conditions of minimum number of investor and holding as a percentage of the corpus.

Determining the breach of 25% limit - The average net assets of the scheme would be calculated daily and any breach of the 25% holding limit by an investor would be determined. At the end of the quarter, the average of daily holding by each such investor is computed to determine whether that investor has breached the 25% limit over the quarter. If there is a breach of limit by any investor over the quarter, a rebalancing period of one month would be allowed and thereafter the investor who is in breach of the rule shall be given 15 days' notice to redeem his exposure over the 25 % limit. Failure on the part of the said investor to redeem his exposure over the 25 % limit within the aforesaid 15 days would lead to automatic redemption by the Mutual Fund on the applicable Net Asset Value on the 15th day of the notice period.

C. SPECIAL CONSIDERATIONS, if any

Prospective investors should review/study Statement of Additional Information along with SID carefully and in its entirety and shall not construe the contents hereof or regard the summaries contained herein as advice relating to legal, taxation, or financial/investment matters and are advised to consult their own professional advisor(s) as to the legal or any other requirements or restrictions relating to the subscriptions, gifting, acquisition, holding, disposal (sale, transfer, redemption or conversion into money) of units and to the treatment of income (if any), capitalization, capital gains, any distribution, and other

tax consequences relevant to their subscription, acquisition, holding, capitalization, disposal (sale, transfer, redemption or conversion into money) of units within their jurisdiction/nationality, residence, domicile etc. or under the laws of any jurisdiction to which they or any managed funds to be used to purchase/gift units are subject, and also to determine possible legal, tax, financial or other consequences of subscribing/gifting to, purchasing or holding units before making an application for units.

Neither this SID nor the units have been registered in any jurisdiction. The distribution of this SID in certain jurisdictions may be restricted or subject to registration and accordingly, any person who gets possession of this SID is required to inform themselves about, and to observe, any such restrictions. It is the responsibility of any persons in possession of this SID and any persons wishing to apply for units pursuant to this SID to inform themselves of and to observe, all applicable laws and Regulations of such relevant jurisdiction. Any changes in SEBI/Stock Exchange/RBI regulations and other applicable laws/regulations could have an effect on such investments and valuation thereof.

IIFL Mutual Fund/AMC/ Trustee has not authorised any person to issue any advertisement or give any information or make any representations, either oral or written, not stated in this SID in connection with issue of Units under the Scheme. Prospective investors are advised not to rely upon any information or representations not incorporated in this SID as the same have not been authorised by the Fund or the AMC. Purchase or redemption made by any person on the basis of statements or representations which are not contained in this SID or which are not consistent with the information contained herein shall be solely at the risk of the investor. The investors are requested to check the credentials of the individual, firm or other entity they are entrusting his/her application form and payment to, for any transaction with the Fund. The Fund shall not be responsible for any acts done by the intermediaries representing or purportedly representing such investor.

If the units are held by any person in breach of the Regulations, law or requirements of any governmental, statutory authority including, without limitation, Exchange Control Regulations, the Fund may mandatorily redeem all the units of any unit holder where the units are held by a unit holder in breach of the same. The Trustee may further mandatorily redeem units of any unit holder in the event it is found that the unit holder has submitted information either in the application or otherwise that is false, misleading or incomplete.

If a unit holder makes a redemption request directly with the Fund immediately after purchase of units, the Fund shall have a right to withhold the redemption request till sufficient time has elapsed to ensure that the amount remitted by him (for purchase of units) is realized and the proceeds have been credited to the Scheme's Account. However, this is only applicable if the value of redemption is such that some or all of the freshly purchased units may have to be redeemed to effect the full redemption.

The tax benefits described in this SID and SAI are as available under the present taxation laws and are available subject to relevant conditions. The information given is included only for general purpose and is based on advice received by the AMC regarding the law and practice currently in force in India as on the date of this SID and the Unitholders should be aware that the relevant fiscal rules or their interpretation may change. As is the case with any investment, there can be no guarantee that the tax position or the proposed tax position prevailing at the time of an investment in the Scheme will endure indefinitely. In view of the individual nature of tax consequences, each Unitholder is advised to consult his / her own professional tax advisor.

The Mutual Fund may disclose details of the investor's account and transactions there under to those intermediaries whose stamp appears on the application form or who have been designated as such by the investor. In addition, the Mutual Fund may disclose such details to the bankers, as may be necessary for the purpose of effecting payments to the investor. The Fund may also disclose such details to regulatory and statutory authorities/bodies as may be required or necessary.

In case the AMC or its Sponsor or its Shareholders or their affiliates/associates or group companies make substantial investment, either directly or indirectly in the Scheme, Redemption of units by these entities may have an adverse impact on the performance of the Scheme. This may also affect the ability of the other Unitholders to redeem their units.

Additional business undertaken by AMC;

Pursuant to Regulation 24(b) of the SEBI (Mutual Funds) Regulations, 1996, SEBI vide its letter dated January 24, 2014 has given its No Objection to 360 ONE Asset Management Limited (Formerly known as IIFL Asset Management Limited) (360 ONE AMC) to undertake Investment Management and Advisory Services to the pooled assets including Alternative Investment Funds/Offshore Funds and to undertake Portfolio Management Services. II. INFORMATION ABOUT THE SCHEME

A. TYPE OF SCHEME

An open-ended Liquid scheme. A relatively low interest rate risk and moderate credit risk.

B. INVESTMENT OBJECTIVE

To provide liquidity with reasonable returns in commensuration with low risk through a portfolio of money market and debt securities with residual maturity of up to 91days.

However, there can be no assurance that the investment objective of the Scheme will be achieved.

C. ASSET ALLOCATION

The investment policies of the Scheme shall be as per SEBI (Mutual Funds) Regulations, 1996, and within the following guidelines. Under normal market circumstances, the investment range would be as follows:

Instruments	Indicative Allocation (% of Net assets)		Risk Profile
	Minimum	Maximum	
Money market and debt instruments with residual maturity up to 91 days (including floating rate debt instruments and securitized debt) *	0%	100%	Low to Medium

In case of deviation the portfolio would be rebalanced within 1 month from the date of deviation.

*Investments in securitized debt including Pass Through Certificates (PTCs) not to exceed 25% of the net assets of the Scheme as at the time of purchase.

The total exposure of the Scheme in a particular sector, based on AMFI classification (excluding investments in Bank CDs, TREPs, Government Securities, Treasury Bills, short term deposits of scheduled commercial banks and AAA rated securities issued by Public Financial Institutions and Public Sector Banks) shall not exceed 20% of the net assets of the Scheme. An additional exposure to financial services sector (over and above the existing 20% limit) not exceeding 10% of the net assets of the scheme may be made by way of investments in AA or higher rated securities of Housing Finance Companies (HFC's) registered with National Housing Bank (NHB). However, the total investment in HFC's shall not exceed 20% of the net assets of the scheme. Further, an additional exposure of 5% of the net assets of the scheme has been allowed for investments in securitized debt instruments based on retail housing loan portfolio and/or affordable housing loan portfolio

The scheme shall not take any leveraged position. In accordance with SEBI Circular No. SEBI/ HO/ IMD/ DF2/ CIR/ P/ 2021/ 024 dated March 4, 2021 the cumulative gross exposure through equity, debt, derivative positions (including commodity and fixed income derivatives), repo transactions and credit default swaps in corporate debt securities, Real Estate Investment Trusts (REITs), Infrastructure Investment Trusts (InvITs), other permitted securities/assets and such other securities/assets as may be permitted by the Board from time to time should not exceed 100% of the net assets of the scheme.

The Scheme will not invest in Foreign Securities and will not participate in repo transactions of Corporate Debt Securities / Credit Default Swaps.

Pursuant to SEBI circular No. SEBI/IMD/CIR No. 13/150975/09 dated January 19, 2009, the Scheme shall make investment in / purchase debt and money market securities with maturity of up to 91 days only.

Explanation:

- a. In case of securities where the principal is to be repaid in a single payout, the maturity of the securities shall mean residual maturity. In case the principal is to be repaid in more than one payout then the maturity of the securities shall be calculated on the basis of weighted average maturity of the security.
- b. In case of securities with put and call options (daily or otherwise) the residual maturity of the securities shall not be greater than 91 days.
- c. In case the maturity of the security falls on a Non-business Day, then settlement of securities will take place on the next Business Day. The total debt derivative exposure will be restricted to 50% of the net assets of the Scheme. The Scheme shall not invest in equity derivatives. Investment in derivatives shall be for hedging, portfolio balancing, and such other purposes as maybe permitted by regulations and guidelines from time to time.

If permitted by SEBI under Regulations / guidelines, the Scheme may also engage in securities lending. Security Lending will only be with approved intermediaries, will not be more than 20% of the net assets of the Scheme and will not be not more than 5% of the net assets of the Scheme to any single counter party.

The AMC shall comply with all reporting requirements and the Trustee shall carry out periodic review as required by SEBI guidelines. Securities lending means the lending of stock to another person or entity for a fixed period of time, at a negotiated compensation. The securities lent will be returned by the Borrower on expiry of the stipulated period. The Investment Manager will apply the following limits, should it desire to engage in Securities lending:

Disclosure pursuant to SEBI's communication dated August 25, 2010 w.r.t. investments in Securitised debt:

Evaluation of Securitised Debt: A pre-investment risk evaluation procedure similar to the one applied to other debt instruments will be applied to analyse the risk profile of the securitised debt instruments and to ascertain that the same is in line with the investment objective of the Scheme. Normally, the risk of investing in securitized debts is similar to investing in debt securities. However as securitised debt involves staggered cash flows from underlying loans, there is always a risk of pre-payment of loan installments by the ultimate borrower which may reduce the returns of the Scheme if the reinvestment rates are lower than initially envisaged. Also, securitised debts have a relatively lower liquidity compared to other debt securities. Securitised debts, typically offer higher yield than debt securities of similar rating and maturity due to the aforementioned additional risks. If the fund manager is of the view that the additional risks are suitably compensated by higher returns, then investments will be made in securitised debts subject to applicable limits. The Scheme will predominantly invest only in those securitization issuances which have at least an investment grade credit rating indicating high level of safety from the credit risk point of view at the time of making an investment.

1. **Policy relating to originators:** To be based on nature of originator, track record, NPAs, losses in earlier securitized debt, etc. The Originator is the entity who has initially given the loan and transferred the receivables to a SPV. The Scheme shall invest in those securitised debts, whose Originator is a

Corporate Entity, being a Bank or an NBFC. Further, before investing in securitised debts, the Originator will be evaluated on the following critical parameters and a detailed report will be compiled:

- Transaction structure including Par versus premium and credit enhancement
- Reputation of Originator in the market
- Proportion of overdue assets of the pool or the underlying loan, as the case may be
- Track record of servicing of the pool or the loan, as the case may be
- Any disputes or litigations in the originated pools
- Credit quality and rating
- Loan to Value ratio
- Liquidity facility

2. Risk mitigation strategies for investments with each kind of originator - Risk would be mitigated to a large extent by the critical evaluation parameters mentioned above. Further, risk mitigation strategies typically include additional credit enhancement, overcollateralization, interest subvention, presence of subordinate tranches, analysing ageing of the pools i.e. how long the loan has been with Originator before securitization etc.
3. The level of diversification with respect to the underlying assets, and risk mitigation measures for less diversified investments - Currently, the securitized market in India is at a nascent stage. There are only few kinds of securitized assets available in the market. The limitation of options has kept diversification of underlying assets low. However, the Scheme will endeavour to maintain diversification with respect to the underlying assets by investing in various types of pools after evaluating each category on the basis of the approximate average maturity, maximum single exposure, average single exposure, average loan to value ratio, the collateral margin etc. A pre-investment review of the originators, underlying assets and the borrower's credit profile will be conducted.
4. The level of diversification with respect to the underlying assets, and risk mitigation measures for less diversified investments

Characteristics/ Type of Pool	Mortgage Loan#	CV & CC	Cars	2 Wheelers	Micro Finance Pools @	Personal Loans	Single Sell Downs
Approximate Average maturity (in Months)*	Up to 10 years	Up to 2 years	Up to 2 years	Up to 2 years	NA	NA	Refer to Note A

Average Loan to Value Ratio (%)	<90%	<80%	<80%	<80%	NA	NA	

Average seasoning of the Pool (months)	>3 Months	>3 Months	>3 Months	>3 Months	NA	NA	
Maximum single exposure range%	<1%	<1%	<1%	<1%	NA	NA	
Average single exposure range %	<1%	<1%	<1%	<1%	NA	NA	

NOTE A: In case of securitization involving single loans or a small pool of loans, the credit risk of the borrower is analyzed. The investment limits applicable to the underlying borrower are applied to the single loan sell-down.

5. Minimum retention period of the debt by originator prior to securitization - RBI governs the issuance of securitised debts in India. It has formulated guidelines for minimum retention period. Depending on the tenor of the securitised assets and the type of repayment schedule viz. periodic repayment or bullet repayment, nine or twelve months have been prescribed as the minimum retention period before the assets can be securitised.
6. Minimum retention percentage by originator of debts to be securitized - RBI has prescribed the minimum retention percentage as 5% or 10% of the book value of the loans being securitised depending on the original maturity of the loans and the features of the securitisation transaction.
7. The mechanism to tackle conflict of interest when the mutual fund invests in securitized debt of an originator and the originator in turn makes investments in that particular scheme of the fund - The investments in securitised debts are made on the basis of the independent assessments of the research team and the judgements of the fund manager. Our internal processes are designed to ensure complete independence of the research and investment process from the sales business.
8. In general, the resources and mechanism of individual risk assessment with the AMC for monitoring investment in securitized debt.

The fund management team has the required experience to analyse and monitor investments in securitized debts. On an on-going basis the rating movement of the securitised debts will be monitored. Credit research agencies also provide analysis of individual instruments and pools. The periodic reports received by the AMC on pool performance will be scanned to check for any change in asset quality and related impact on debt servicing and any impact that it can have

Pending deployment of the funds as per the investment objective of the Scheme, the funds of the Scheme may be parked in short term deposits of the scheduled commercial banks, subject to the guidelines and limits specified by SEBI from time to time. Subject to limits prescribed by SEBI, the maturity profile of the Scheme can undergo a change in case the market conditions warrant and at the discretion of the fund manager. The investments in short term deposits of scheduled commercial bank for pending deployment of funds of a scheme shall be excluded while calculating sector exposure.

Change in Asset Allocation

The Scheme may review the above pattern of investments/ asset allocation based on views on interest rates and asset liability management needs. However, at all times the portfolio will adhere to the overall investment objectives of the Scheme. Subject to the Regulations, the asset allocation pattern indicated above may change from time to time, keeping in view market conditions, market opportunities, applicable

regulations, legislative amendments and political and economic factors. It must be clearly understood that the percentages stated above are only indicative and not absolute. These proportions can vary substantially depending upon the perception of the fund manager; the intention being at all times to seek to protect the interests of the Unit holders. Such changes in the investment pattern will be for short term and for defensive considerations only. In case of deviation, the portfolio would be rebalanced within 1 month from the date of deviation. In case the same is not aligned to the above asset allocation pattern within 1 month, justification shall be provided to the Investment Committee and reasons for the same shall be recorded in writing. The Investment committee shall then decide on the course of action.

Debt Market Overview

The Indian debt market is today one of the largest in Asia and includes securities issued by the Government (Central & State Governments), public sector undertakings, other government bodies, financial institutions, banks and corporates. Government and public sector enterprises are the predominant borrowers in the markets. The major players in the Indian debt markets today are banks, financial institutions, mutual funds, insurance companies, primary dealers, trusts, pension funds and corporates. The Indian debt market is the largest segment of the Indian financial markets. The debt market comprises broadly two segments, viz. Government Securities market or G-Sec market and corporate debt market. The latter is further classified as market for PSU bonds and private sector bonds.

The Government Securities (G-Secs) market, consists of G-Sec outstanding of Rs. 80,59,921.302cr as on Feb 28, 2022 (State Govt securities - Rs 38,31,895.100 cr, (as on Feb'21) Source: CCIL), is the oldest and the largest component (50% share in market cap) of the Indian debt market in terms of market capitalization, outstanding securities and trading volumes. The G-Secs market plays a vital role in the Indian economy as it provides the benchmark for determining the level of interest rates in the country through the yields on the Government Securities which are referred to as the risk-free rate of return in any economy. Over the years, there have been new products introduced by the RBI like zero coupon bonds, floating rate bonds, inflation indexed bonds, etc. Moreover, the recent successful introduction of Interest Rate Future in the benchmark 10 year Government Bond will also likely to increase the depth in the debt market. Activity in the Primary and Secondary Market is dominated by Central Govt. Securities including Treasury Bills. These instruments comprise close to 60% of the all outstanding debt and more than 75% of the daily trading volume on the wholesale Debt Market Segment of the National Stock Exchange of India Limited

The corporate bond market, in the sense of private corporate sector raising debt through public issuance in capital market, is only an insignificant part of the Indian Debt Market. A large part of the issuance in the non-Government debt market is currently on private placement basis. The outstanding stock of corporate bonds has increased four-fold from ₹10.51 lakh crore as at end of FY 2012 to ₹40.20 lakh core as at end of FY 2022. Annual issuances during this period have increased from ₹3.80 lakh crore to close to ₹6.0 lakh crore

The money markets in India essentially consist of the call money market (i.e. market for overnight and term money between banks and institutions), repo transactions (temporary sale with an agreement to buy back the securities at a future date at a specified price), commercial papers (CPs, short term unsecured promissory notes, generally issued by corporates), certificate of deposits (CDs, issued by banks) and Treasury Bills (issued by RBI). In a predominantly institutional market, the key money market players are banks, financial institutions, insurance companies, mutual funds, primary dealers and corporates. In money market, activity

levels of the Government and nongovernment debt vary from time to time. Instruments that comprise a major portion of money market activity include but not limited to: • Overnight Call • Tri Party Repo • Repo/Reverse Repo Agreement • Treasury Bills • Government securities with a residual maturity of < 1 year. • Commercial Paper • Certificate of Deposit Apart from these, there are some other options available for short tenure investments that include MIBOR linked debentures with periodic exit options and other such instruments. Though not strictly classified as Money Market Instruments, PSU / DFI / Corporate paper with a residual maturity of < 1 year, are actively traded and offer a viable investment option.

The market has evolved in past 2-3 years in terms of risk premia attached to different class of issuers. Bank CDs have clearly emerged as popular asset class with increased acceptability in secondary market. PSU banks trade the tightest on the back of comfort from majority government holding. Highly rated manufacturing companies also command premium on account of limited supply. However, there has been increased activity in papers issued by private/foreign banks/NBFCs/companies in high-growth sector due to higher yields offered by them. Even though companies across these sectors might have been rated on a same scale, the difference in the yield on the papers for similar maturities reflects the perception of their respective credit profiles. The following table gives approximate yields prevailing as on March 31st 2023 on some of the money and debt market instruments.

Instruments	Yield (% per annum)
TREPS	6.00-6.50
91 Day Treasury Bill	6.75-6.95
364 Day Treasury Bill	7.05-7.30
1 Year CD	7.40-7.65
1 Year CP	7.60—7.90
5 -Year Government of India Security	7.10-7.30
10-Year Government of India Security	7.15-7.40

These yields are indicative and do not indicate yields that may be obtained in future as interest rates keep changing consequent to changes in macro-economic conditions and RBI policy. The price and yield on various debt instruments fluctuate from time to time depending upon the macro economic situation, inflation rate, overall liquidity position, foreign exchange scenario etc. Also, the price and yield vary according to maturity profile, credit risk etc.

D. INVESTMENT BY THE SCHEME

The corpus of the Scheme will be invested in money market & debt instruments with maturity / average maturity/residual maturity/ interest rate reset not greater than 91 days which will include but not limited to:

Certificate of Deposit (CD): of scheduled commercial banks and development financial Institutions Certificate of Deposit (CD) is a negotiable money market instrument issued by scheduled commercial banks and select all-India Financial Institutions that have been permitted by the RBI to raise short term resources. The maturity period of CDs issued by the Banks is between 7 days to one year, whereas, in case of FIs, maturity is one year to 3 years from the date of issue.

Commercial Paper (CP): Commercial Paper (CP) is an unsecured negotiable money market instrument issued in the form of a promissory note, generally issued by the corporates, primary dealers and all India Financial Institutions as an alternative source of short term borrowings. CP is traded in secondary market and can be freely bought and sold before maturity.

Repo: Repo (Repurchase Agreement) or Reverse Repo is a transaction in which two parties agree to sell and purchase the same security with an agreement to purchase or sell the same security at a mutually decided future date and price. The transaction results in collateralized borrowing or lending of funds. Presently in India, G-Secs, State Government securities and T-Bills are eligible for Repo/Reverse Repo.

Treasury Bill (T-Bill): Treasury Bills (T-Bills) are issued by the Government of India or State Governments to meet their short term borrowing requirements. T-Bills are issued for maturities of 91 days, 182 days and 364 days. T-Bills are issued at a discount and for a fixed period.

Tri-party repo (TREPS): Tri-party repo is a type of repo contract where a third entity (apart from the borrower and lender), called a Tri-Party Agent, acts as an intermediary between the two parties to the repo to facilitate services like collateral selection, payment and settlement, custody and management during the life of the transaction.

Securities created and issued by the Central and State Governments as may be permitted by RBI, securities guaranteed by the Central and State Governments (including but not limited to coupon bearing bonds, zero coupon bonds and treasury bills). State Government securities (popularly known as State Development Loans or SDLs) are issued by the respective State Government in co-ordination with the RBI.

Non convertible debentures and bonds: Non convertible debentures as well as bonds are securities issued by companies / Institutions promoted /owned by the Central or State Governments and statutory bodies which may or may not carry a Central/State Government guarantee, Public and private sector banks, all India Financial Institutions and Private Sector Companies. These instruments may be secured or unsecured against the assets of the Company and generally issued to meet the short term and long term fund requirements. The Scheme may also invest in the non convertible part of convertible debt securities.

Floating rate debt instruments: Instruments issued by Central / state governments, corporates, PSUs, etc. with interest rates that are reset periodically.

Pass through Certificate (PTC): (Pay through or other Participation Certificates) represents beneficial interest in an underlying pool of cash flows. These cash flows represent dues against single or multiple loans originated by the sellers of these loans. These loans are given by banks or financial institutions to corporates.

PTCs may be backed, but not exclusively, by receivables of personal loans, car loans, two wheeler loans and other assets subject to applicable regulations.

When issued: When, as and if issued (commonly known as “when-issued” (WI) security) refers to a security that has been authorized for issuance but not yet actually issued. WI trading takes place between the time a new issue is announced and the time it is actually issued. All “when issued” transactions are on an “if” basis, to be settled if and when the actual security is issued.

SEBI has on April 16, 2008 in principle allowed Mutual Funds to undertake “When Issued (WI)” transactions in Central Government securities, at par with other market participants.

Open Positions in the WI market are subject to the following limits:

Category	Reissued Security	Newly Issued Security
Non – PDs	Long Position, not exceeding 5 percent of the notified amount.	Long Position, not exceeding 5 percent of the notified amount.

Securitized Assets: Securitization is a structured finance process which involves pooling and repackaging of cashflow producing financial assets into securities that are then sold to investors. All assets can be securitized so long as they are associated with cash flows. A Pass Through Certificate (PTC) represents beneficial interest in an underlying pool of cash flows. These cash flows represent dues against single or multiple loans originated by the sellers of these loans. These loans are given by banks or financial institutions to corporates. PTCs may be backed, but not exclusively, by receivables of personal loans, car loans, two wheeler loans and other assets subject to applicable regulations. A typical process of asset securitization involves sale of specific receivables to a Special Purpose Vehicle (SPV) set up in the form of a trust or a company. The SPV in turn issues financial instruments (promissory notes, participation certificates or other debt instruments) also referred to as Securitized Debt to the investors evidencing the beneficial ownership of the investors in the receivables. The financial instruments are rated by an independent credit rating agency.

The Scheme may invest in various type of securitisation issuances. The Scheme does not propose to limit its exposure to only one asset class or to have asset class based sub-limits as it will primarily look towards the credit rating of the offering.

Disclosures regarding investments in Securitised Debt:

- 1. Evaluation of Securitised Debt:** A pre-investment risk evaluation procedure similar to the one applied to other debt instruments will be applied to analyse the risk profile of the securitised debt instruments and to ascertain that the same is in line with the investment objective of the Scheme. Normally, the risk of investing in securitized debts is similar to investing in debt securities. However as securitised debt involves staggered cash flows from underlying loans, there is always a risk of pre-payment of loan installments by the ultimate borrower which may reduce the returns of the Scheme if the reinvestment rates are lower than initially envisaged. Also securitised debts have a relatively lower liquidity compared to other debt securities. Securitised debts, typically offer higher yield than debt securities of similar rating and maturity due to the aforementioned additional risks. If the fund manager is of the view that the additional risks are suitably compensated by higher returns, then investments will be made in securitised debts subject to applicable limits. The Scheme will predominantly invest only in those securitization issuances which have at least an investment grade credit rating indicating high level of safety from the credit risk point of view at the time of making an investment.

2. **Policy relating to originators:** To be based on nature of originator, track record, NPAs, losses in earlier securitized debt, etc. The Originator is the entity who has initially given the loan and transferred the receivables to a SPV. The Scheme shall invest in those securitised debts, whose Originator is a Corporate Entity, being a Bank or an NBFC. Further, before investing in securitised debts, the Originator will be evaluated on the following critical parameters and a detailed report will be compiled:
- _ Transaction structure including Par versus premium and credit enhancement
 - _ Reputation of Originator in the market
 - _ Proportion of overdue assets of the pool or the underlying loan, as the case may be
 - _ Track record of servicing of the pool or the loan, as the case may be
 - _ Any disputes or litigations in the originated pools
 - _ Credit quality and rating
 - _ Loan to Value ratio
 - _ Liquidity facility
3. Risk mitigation strategies for investments with each kind of originator - Risk would be mitigated to a large extent by the critical evaluation parameters mentioned above. Further, risk mitigation strategies typically include additional credit enhancement, overcollateralization, interest subvention, presence of subordinate tranches, analysing ageing of the pools i.e. how long the loan has been with Originator before securitization etc.
4. The level of diversification with respect to the underlying assets, and risk mitigation measures for less diversified investments - Currently, the securitized market in India is at a nascent stage. There are only few kinds of securitized assets available in the market. The limitation of options has kept diversification of underlying assets low. However, the Scheme will endeavour to maintain diversification with respect to the underlying assets by investing in various types of pools after evaluating each category on the basis of the approximate average maturity, maximum single exposure, average single exposure, average loan to value ratio, the collateral margin etc. Also strict pre-investment review of the originators, underlying assets and the borrower's credit profile will be conducted.
5. Minimum retention period of the debt by originator prior to securitization - RBI governs the issuance of securitised debts in India. It has formulated guidelines for minimum retention period. Depending on the tenor of the securitised assets and the type of repayment schedule viz. periodic repayment or bullet repayment, nine or twelve months have been prescribed as the minimum retention period before the assets can be securitised.
6. Minimum retention percentage by originator of debts to be securitized - RBI has prescribed the minimum retention percentage as 5% or 10% of the book value of the loans being securitised depending on the original maturity of the loans and the features of the securitisation transaction.
7. The mechanism to tackle conflict of interest when the mutual fund invests in securitized debt of an originator and the originator in turn makes investments in that particular scheme of the fund - The investments in securitised debts are made on the basis of the independent assessments of the research team and the judgements of the fund manager. Our internal processes are designed to ensure complete independence of the research and investment process from the sales business.
8. In general, the resources and mechanism of individual risk assessment with the AMC for monitoring investment in securitized debt.

The fund management team has the required experience to analyse and monitor investments in securitized debts. On an on-going basis the rating movement of the securitised debts will be monitored. Credit research agencies also provide analysis of individual instruments and pools. The periodic reports received by the AMC on pool performance will be scanned to check for any change

in asset quality and related impact on debt servicing and any impact that it can have on the credit ratings.

The aforementioned securities may be acquired through Initial Public Offering (IPOs), secondary market, private placement, rights offers, negotiated deals. Further investments in debentures, bonds and other fixed income securities will be in instruments which have been assigned investment grade rating by the Credit Rating Agency.

Investment in unrated debt instruments shall be subject to complying with the provisions of the Regulations and within the limit as specified in Schedule VII to the Regulations.

The securities / instruments mentioned above and such other securities the Scheme is permitted to invest in could be listed, unlisted, privately placed, secured, unsecured, rated or unrated and of any maturity subject to investment limits specified elsewhere in this document.

The Fund Manager reserves the right to invest in such securities as may be permitted from time to time and which are in line with the investment objectives of the Scheme.

E. INVESTMENT STRATEGY

The investment strategy of the scheme is to invest into various debt and money market securities with an overall portfolio residual maturity of less than 91 days. All investments made by the Scheme will be made in accordance with SEBI (Mutual Fund) Regulations, 1996, as amended from time to time. The AMC will follow a structured investment process in order to identify the best securities for investment and has developed an internal research framework for consistently examining all securities. The aim of the Investment Manager will be to allocate the assets of the Scheme between various money market and fixed income securities with the objective of achieving optimal returns with high credit quality portfolio. The actual percentage of investment in various fixed income securities will be decided after considering the prevailing market conditions, the macroeconomic environment (including interest rates and inflation), the performance of the corporate sector and general liquidity and other considerations in the economy and market.

Investment /Credit evaluation

Fund Manager shall take a view on the broad direction of the market including interest rate outlook. While monitoring credit quality of the portfolio, the investment team shall evaluate each credit before inclusion into the Scheme portfolio. Following factors are considered while evaluating investment and credit of debt and other instruments.

- Liquidity of instrument
- Credit rating of instrument
- Credit spread
- Issuer of instruments and sectors it belongs to
- Credit Quality as determined by analyzing its financial statements
- Aggregate Exposure to the issuer
- Exposure of other Fund

Risk Mitigation

Effective Risk management is critical to effective fund management. Investment by the Scheme would be made as per the investment objective of the Scheme and in accordance with SEBI Regulations. AMC has adequate safeguards to manage risk in the portfolio construction process. Risk control would involve managing risk in order to keep in line with the investment objective of the Scheme. The risk control process would include identifying the risk and taking proper measures for the same. Further, AMC has put in place a Front Office System for managing risk. The system has incorporated all the investment restrictions as per the SEBI guidelines and enables identifying and measuring the risk through various risk management tools like various portfolio analytics, risk ratios, average duration and analyses the same and acts in a preventive manner.

The portfolio of Scheme will comprise of securities issued by central and state government as also debt & money market instruments issued by corporates. All such securities will normally mature on or before maturity of the scheme. As the securities are normally held to maturity, the interest rate risk is significantly mitigated. The debt securities issued by the corporates do carry a credit risk as also the liquidity risk, however the investments team will endeavor to choose securities for the scheme portfolio, which have better liquidity in the markets and are sound credit exposures.

Fixed Income Derivatives

The Scheme may invest in various derivatives instruments including interest rate swaps and forward contracts which are available for investment in Indian Markets from time to time and which are permissible under the Regulations from time to time. Investment in such instruments will be made in accordance with the investment objective and the strategy of the Scheme. The investments shall also be subject to the internal limits as may be laid down from time to time and such limits and restrictions as may be prescribed by the Regulations or any other regulatory body.

Concepts and Examples (for illustrative purpose only):

Derivatives are financial contracts of pre-determined fixed duration, whose values are derived from the value of an underlying primary financial instrument, commodity or index, such as: interest rates, exchange rates, commodities, and equities.

Interest Rate Swaps

Interest Rate Swaps is an agreement between two parties (counterparties) to exchange payments at specified dates on the basis of a specific amount with reference to a specified reference rate. Swap Agreements provide for period payment dates for both parties where payments are netted and only the net amount is paid to the counterparty entitled to receive the net payment. Consequently, the Scheme's current obligations (or rights) under a swap agreement will generally be equal only to the net amount to be paid or received under the agreement, based on the relative values of the possession held by each counterparty.

Example of a swap transaction:

Assume that the Scheme has a Rs.50 crore floating rate investment linked to MIBOR (Mumbai Inter Bank Offered Rate). Thus, the Scheme has a potential interest rate risk and stands to incur a loss if the interest rate moves down. To hedge this interest rate risk, the Scheme can enter into a 6 month MIBOR swap on July 1, 2014 for 6 months that is upto January 1, 2015. Through this swap, the Scheme will receive a fixed determined rate (assume 8%) and pays the 'benchmark rate' (MIBOR), which is fixed by an intermediary who runs a book and matches deals between various counterparties, such intermediary could be the NSE

or the Reuters. This swap would effectively lock in the interest rate of 8% for the next 6 months, eliminating the daily interest rate risk.

On January 1, 2015 the Scheme is entitled to receive interest on Rs. 50 crore at 8% for 180 days i.e., 2 crores (this amount is known at the time the swap is concluded) and will pay the compounded benchmark rate. The counterparty is entitled to receive the daily compounded call rate for 180 days and pay 8% fixed rate. On January 1, 2015, if the total interest on the daily overnight compounded benchmark rate is higher than Rs. 2 crore, the Scheme will pay the difference to the counterparty. If the daily compounded benchmark rate is lower, then the counterparty will pay the Scheme the difference.

Effectively, the Scheme earns interest at the rate of 8% p.a. for 6 months without lending money for 6 months fixed, whilst the counterparty pays interest @ 8% p.a. for 6 months on Rs. 50 crores without borrowing for 6 months fixed.

Interest Rate Futures

Interest Rate Futures (IRF) contract is an agreement to buy or to sell a debt instrument at a specified future date at a price that is fixed today. Exchange traded IRFs are standardised contracts based on a notional coupon bearing Government of India (GOI) security. National Securities Clearing Corporation Limited (NSCCL) is the clearing and settlement agency for all deals executed in Interest Rate Futures. NSCCL acts as legal counter-party to all deals on Interest Rate Futures contract and guarantees settlement.

Forward Rate Agreement

Forward rate agreement is a transaction in which the counterparties agree to pay or receive the difference between an agreed fixed rate and the interest rate prevailing on a stipulated future date, based on a notional amount, for an agreed period. As the interest rate is fixed now for a future period, the only payment is the difference between the agreed fixed rate and the reference rate in the future. As in the case of interest rate swaps, only notional amounts are exchanged.

Assume that on June 30, 2014, the 90 day commercial paper (CP) rate is 8.75% and the Scheme has an investment in a CP of face value Rs.25 crores which is going to mature on September 30, 2014. If the interest rates are likely to remain stable or decline after September 2014, and if the fund manager, who wants to re-deploy the maturity proceeds for 3 more months, does not want to take the risk of interest rates going down, he can then enter into a following forward rate agreement (FRA) say as on June 30, 2014:

He can receive 3 X 6 FRA on June 30, 2014 at 8.75% (FRA rate for 3 months lending in 3 months' time) on the notional amount of Rs. 25 crores, with a reference rate of 90 day CP benchmark. If the CP benchmark on the settlement date i.e. September 30, 2014 falls to 8.5%, then the Scheme receives the difference 8.75 – 8.5 i.e. 25 basis points on the notional amount Rs. 25 crores for 3 months. The maturity proceeds are then reinvested at say 8.5% (close to the benchmark). The scheme, however, would have locked in the rate prevailing on June 30, 2014 (8.75%) as it would have received 25 basis points more as settlement amount from FRA. Thus, the fund manager can use FRA to mitigate the reinvestment risk. In this example, if the rates move up by 25 basis points to 9% on the settlement date (September 30, 2014), the Scheme loses 25 basis points but since the reinvestment will then happen at 9%, effective returns for the Scheme is unchanged at 8.75%, which is the prevailing rate on June 30, 2015.

Forward Contracts

Forward contract is a transaction in which the buyer and the seller agree upon the delivery of a specified quality (if commodity) and quantity of underlying asset at a predetermined rate on a specified future date.

Assume that on June 30, 2015, the scheme has invested 1 million dollars in a US treasury security. Fund manager expects that the yields in the US will come down in the next 6 months and plans to sell the asset on December 31, 2015 to book the gain. Rupee is trading at 63 to a US Dollar on June 30, 2015. If rupee appreciates compared to the Dollar in these 6 months to say 62.00 per Dollar, the Scheme will earn lower returns in Rupee terms when the fund manager sells the investments on December 31, 2015 and converts the proceeds into Rupees. He can mitigate this exchange rate risk by entering into a forward contract to sell 1 million dollars on June 30, 2015 for value December 31, 2015 (6 month forward) and receive the prevailing premium of say 50 paisa per Dollar i.e. he has locked in a rate of 63.50 per US Dollar for delivery on December 31, 2015. With this the Scheme is not exposed to the loss of Rupee appreciation or profit from Rupee depreciation.

Portfolio Turnover

The Scheme being an open-ended Scheme, it is expected that there would be a number of Subscriptions and Redemptions on a daily basis. Further, in the debt market, trading opportunities may arise due to changes in system liquidity, interest rate policy announced by RBI, shifts in the yield curve, credit rating changes or any other factors. In the opinion of the fund manager these opportunities can be played out to enhance the total return of the portfolio, which will result in increase in portfolio turnover. There may be an increase in transaction cost such as brokerage paid, if trading is done frequently.

However, the cost would be negligible as compared to the total expenses of the Scheme. Frequent trading may increase the profits which will offset the increase in costs.

The fund manager will endeavor to optimize portfolio turnover to maximize gains and minimize risks keeping in mind the cost associated with it. However, it is difficult to estimate with reasonable measure accuracy, the likely turnover in the portfolio of the Scheme. The Scheme has no specific target relating to portfolio turnover.

F. FUNDAMENTAL ATTRIBUTES

Following are the fundamental attributes of the Scheme, in terms of Regulation 18(15A) of the SEBI Regulations:

- I. **Type of Scheme:** An Open Ended Liquid Scheme. A relatively low interest rate risk and moderate credit risk.
- II. **Investment Objective:**
 - Investment objective - Please refer section of 'Investment Objective'.
 - Investment pattern - Please refer section of 'Asset Allocation'.
- III. **Terms of Issue:** Provisions with respect to listing, repurchase, redemption of units and fees and expenses as indicated in this Scheme Information Document.

In accordance with Regulation 18(15A) of the Regulations, the Trustee shall ensure that no change in the fundamental attributes of the Scheme and Plan(s)/Option(s) thereunder or the trust or fees and expenses payable or any other change which would modify the Scheme and the Plan(s)/Option(s) thereunder and affect the interest of the Unit Holders will be carried out unless:

- Comments of SEBI are taken for such a change; and

- A written communication about the proposed change is sent to each Unit Holder and an advertisement is given in one English daily newspaper having nationwide circulation as well as in a Marathi daily newspaper with wide circulation published in Mumbai (as the head office of the Fund is situated there); and
- The Unit holders are given an option to exit for a period of 30 days to exit at the prevailing Net Asset Value without any Exit Load.

However, changes / modifications to the Scheme made in order to comply with any subsequent change in Regulations or circulars issued by SEBI will not constitute change in fundamental attributes.

G. BENCHMARK INDEX

The performance of IIFL Liquid Fund is benchmarked against the CRISIL Liquid Debt B-I Index. The Scheme intends to have a portfolio mix of instruments, which are mainly captured by Crisil Liquid Fund Index. Hence, the benchmark is an appropriate benchmark for the Scheme.

As required under SEBI circular dated October 27, 2021, the benchmark has been selected from amongst those notified by AMFI as the first-tier benchmark to be adopted by mutual funds and which are reflective of the category of the scheme

The above benchmark is line with the SEBI Circular SEBI/HO/IMD/IMD-IIDF3/P/CIR/2021/652 dated October 27,2021.

H. FUND MANAGER OF THE SCHEME

Name of Fund Manager, Age, Qualification	Brief Experience
Mr. Milan Mody Age: 44 years; Qualification : MBA Finance, B.Com	Mr. Milan Mody has over 18 years of work experience in the Fixed Income market. Prior to joining 360 ONE Asset Management Limited (Formally known as IIFL Asset Management Limited), he was associated with ITI Asset Management Limited as Fixed Income Fund Manager for three years. I. INVESTMENT RESTRICTIONS

The following investment limitations and other restrictions, inter-alia, as contained in the Trust Deed and the Regulations apply to the Scheme:

- A scheme may invest in another scheme, under the same AMC or any other mutual fund provided that the aggregate inter-scheme investments made by all schemes under the same AMC or any other mutual fund shall not exceed 5% of the net assets of the Fund or any other limit as prescribed by the Regulations from time to time. The AMC is not permitted by the Regulations to charge any investment management and advisory services fee on such investments.
- As per SEBI Circular No. SEBI/HO/IMD/IMD-1 DOF2/P/CIR/2022/164 dated November 29, 2022, A mutual fund scheme shall not invest more than:

- a. 10% of its NAV in debt and money market securities rated AAA; or
- b. 8% of its NAV in debt and money market securities rated AA; or
- c. 6% of its NAV in debt and money market securities rated A and below issued by a single issuer.

The above investment limits may be extended by up to 2% of the NAV of the scheme with prior approval of the Board of Trustees and Board of Directors of the AMC, subject to compliance with the overall 12% limit specified in clause 1 of Seventh Schedule of MF Regulation.

- The Scheme shall not invest (excluding investments in securities issued by Public Sector Units, Public Financial Institutions and Public Sector Banks) more than 20% of net assets in the Group. Such investment limit may be extended to 25% of the net assets of the scheme with the prior approval of the Board of Trustees. The investments in debt and money market instruments of group companies of both the sponsor and the AMC shall not exceed 10% of the net assets of the scheme. Such investment limit may be extended to 15% of the net assets of the scheme with the prior approval of the Trustees. For this purpose, "Group" means a group as defined under regulation 2 (mm) of the Regulations and shall include an entity, its subsidiaries, fellow subsidiaries, its holding company and its associates.
- The total exposure of the Scheme in a particular sector, based on AMFI classification (excluding investments in Bank CDs, TREPs, Government Securities, Treasury Bills, short term deposits of scheduled commercial banks and AAA rated securities issued by Public Financial Institutions and Public Sector Banks) shall not exceed 20% of the net assets of the Scheme. An additional exposure to financial services sector (over and above the existing 20% limit) not exceeding 10% of the net assets of the scheme may be made by way of investments in AA or higher rated securities of Housing Finance Companies (HFC's) registered with National Housing Bank (NHB). However, the total investment in HFC's shall not exceed 20% of the net assets of the scheme. Further, an additional exposure of 5% of the net assets of the scheme has been allowed for investments in securitized debt instruments based on retail housing loan portfolio and/or affordable housing loan portfolio.
- The scheme shall not invest in unlisted debt instruments including commercial papers (CPs), other than (a) government securities, (b) other money market instruments and (c) derivative products such as Interest Rate Swaps (IRS), Interest Rate Futures (IRF), etc. which are used by mutual funds for hedging.

Provided further that the scheme may invest in unlisted Non-Convertible Debentures (NCDs) not exceeding 10% of the debt portfolio of the scheme subject to the condition that such unlisted NCDs have a simple structure (i.e. with fixed and uniform coupon, fixed maturity period, without any options, fully paid up upfront, without any credit enhancements or structured obligations) and are rated and secured with coupon payment frequency on monthly. Provided further that mutual fund schemes shall comply with the norms under this clause within the time and in the manner as may be specified by the Board:

- Investment in unrated debt and money market instruments, other than government securities, treasury bills, derivative products such as Interest Rate Swaps (IRS), Interest Rate Futures (IRF), etc. by the scheme shall be subject to the following:
 - a. Investments should only be made in such instruments, including bills rediscounting, usance bills, etc., that are generally not rated and for which separate investment norms or limits are

not provided in SEBI (Mutual Fund) Regulations, 1996 and various circulars issued thereunder.
b. Exposure of the scheme in such instruments, shall not exceed 5% of the net assets of the scheme.

c. All such investments shall be made with the prior approval of the Board of AMC and the Board of Trustees

- The scheme shall not park funds pending deployment in short term deposits of scheduled commercial banks.
- The scheme shall not invest in debt securities having structured obligations (SO rating) and/or credit enhancements (CE rating). However, debt securities with government guarantee shall be excluded from such restriction.
- The scheme shall hold at least 20% of its net assets in liquid assets. For this purpose, liquid assets will include cash, government securities, T-Bills and repo on government securities. In case exposure in liquid assets falls below 20% of the net assets of the scheme, the AMC will ensure compliance with the requirement before making further investments.
- Transfer of investments from one scheme to another scheme in the same Mutual Fund, shall be allowed only if:-
 - (a) such transfers are made at the prevailing market price for quoted Securities on spot basis (spot basis shall have the same meaning as specified by Stock Exchange for spot transactions.
 - (b) the securities so transferred shall be in conformity with the investment objective of the scheme to which such transfer has been made and
 - (c) the Transfer is in conformity with additional safeguards as prescribed by SEBI Circular No. SEBI/HO/IMD/DF4/CIR/P/2020/202 dated October 08, 2020.
- The Scheme shall not make any investment in: a) any unlisted security of an associate or group company of the Sponsor; or b) any security issued by way of private placement by any associate or group company of the Sponsor; or c) the listed securities of group companies of the Sponsor in excess of 25% of its net assets.
- The Mutual Fund shall buy and sell securities on the basis of deliveries and shall in all cases of purchases, take delivery of relevant securities and in all cases of sale, deliver the securities:
 - Provided that the Mutual Fund may engage in short selling of securities in accordance with the framework relating to short selling and securities lending and borrowing specified by SEBI
 - Provided further that the Mutual Fund may enter into derivatives transactions in a recognized stock exchange subject to the framework specified by SEBI.
- The Scheme shall not invest in any Fund of Funds Scheme.
- No term loans for any purpose may be advanced by the Mutual Fund and the Mutual Fund shall not borrow except to meet temporary liquidity needs of the Schemes for the purpose of payment of interest or IDCW to Unit holders, provided that the Mutual Fund shall not borrow more than 20% of the net assets of each of the Schemes and the duration of such borrowing shall not exceed a period of six months.

- Debentures, irrespective of any residual maturity period (above or below one year), shall attract the investment restrictions as applicable for debt instruments as specified under Clause 1 and 1 A of Seventh Schedule to the Regulations.
- The Mutual Fund shall enter into transactions relating to Government Securities only in dematerialised form.

- The Fund may lend securities in accordance with “Guidelines for Participation by Mutual Funds in Stock Lending” issued by SEBI or any amendments thereto.
- The Scheme may also use various derivative and hedging products from time to time, as are available and permitted by SEBI.
- If any company invests in/holds more than 5% of the NAV of the Scheme, then investment made by the Scheme or any other scheme of the Fund in that company or its subsidiaries will be disclosed in accordance with the Regulations.
- The Scheme will comply with any other Regulation applicable to the investments of Mutual Funds from time to time.

These investment limitations/parameters as expressed (linked to the net asset/net asset value/capital) shall, in the ordinary course, apply as at the date of the most recent transaction or commitment to invest and changes do not have to be effected merely because, owing to appreciation or depreciation in value or by reason of the receipt of any rights, bonuses or benefits in the nature of capital or of any scheme of arrangement or for amalgamation, reconstruction or exchange, or at any repayment or redemption or other reason outside the control of the Mutual Fund, any such limits would thereby be breached. If these limits are exceeded for reasons beyond its control, the AMC shall adopt as a priority objective, the remedying of that situation, taking due account of the interests of the Unit Holders. Apart from the investment restrictions prescribed under the Regulations, internal risk parameters for limiting exposure to a particular scrip or sector may be prescribed from time to time to respond to the dynamic market conditions and market opportunities.

The Trustee /AMC may alter the above stated limitations from time to time and also to the extent the Regulations change so as to permit the Scheme to make its investments in the full spectrum of permitted investments in order to achieve its investment objective.

Wherever investments are intended to be of a long-term nature, the securities shall be purchased or transferred in the name of the Fund, on account of the Scheme concerned. Modifications, if any, in the Investment Restrictions on account of amendments to the Regulations shall supersede/ override the provisions of the Trust Deed.

All investment restrictions shall be applicable at the time of making investments. The AMC/ Trustees from time to time may alter these investment restrictions in conformity with the SEBI Regulations, so as to permit the Scheme to make its investments in the full spectrum of permitted investments to achieve its investment objective.

Investment by AMC

The AMC reserves the right to invest its own funds in the Scheme as may be decided by the AMC from time to time and in accordance with SEBI Circular no. SEBI/IMD/CIR No. 10/22701/03 dated December

12, 2003 regarding minimum number of investors in the Scheme/ Plan. Under the Regulations, the AMC is not permitted to charge any investment management and advisory fees.

In accordance with Securities and Exchange Board of India (Mutual Funds) (Second Amendment) Regulations, 2021, the AMC shall invest such amount in the scheme, based on the risk associated with the scheme. As specified in the SEBI Circular no. SEBI/HO/IMD/IMD-IDOF5/P/CIR/2021/624 dated September 02, 2021, based on the risk profile of the Scheme, the AMC is required to invest not less than 0.05 percent of the Quarterly Average AUM of the scheme. Such investment shall be maintained at all times and shall not be redeemed unless the scheme is wound up.

II. OPTION:																																					
The Scheme has the following Options under each of the above Plans:																																					

	<ul style="list-style-type: none"> • Growth Option: This option is suitable for investors who are not looking for current income but who invest only with the intention of capital appreciation. • Income Distribution cum Capital Withdrawal (IDCW) Option: This option is suitable for investors seeking income through IDCW declared by the Scheme. Under this Option, the Scheme will endeavor to declare IDCW from time to time. The IDCW shall be dependent on the availability of distributable surplus. The IDCW can be distributed out of investors capital (equalization reserve), which is part of sale price that represents realized gains. <p>The Income Distribution cum Capital Withdrawal (IDCW) Option has the following Facilities:</p> <ul style="list-style-type: none"> ○ Re-investment of Income Distribution cum Capital Withdrawal option (IDCW Re-investment) Facility (available for Daily, Weekly) ○ Payout of Income Distribution cum Capital Withdrawal option (IDCW Payout) Facility (available for Weekly) <p>In cases where the investor fails to opt for a particular Option at the time of investment, the default Option will be Growth. If the investor chooses Income Distribution cum Capital Withdrawal (IDCW) Option and fails to mention facility / frequency then the default facility will be Reinvestment and the default frequency will be Weekly.</p> <p>If IDCW payable under Payout of Income Distribution cum Capital Withdrawal option (IDCW Payout) option is equal to or less than Rs. 500/- then the IDCW would be compulsorily reinvested in the option of the Scheme.</p>
Ongoing Price for subscription (purchase)/switch-in (from other schemes/plans of the mutual fund) by investors.	At Applicable NAV The NAV will be calculated by rounding up to four decimal places for the Scheme. Assumed NAV Rs. 11.00 per unit. Entry Load: NIL. $\text{Purchase Price} = \text{NAV} + (\text{Entry Load (\%)} * \text{NAV})$ $\text{Purchase Price} = 11 + (0\% * 11)$ $\text{Purchase Price} = 11 + 0$ $\text{Purchase Price} = \text{Rs. } 11/-$
Ongoing Price for redemption (sale)/switch out (to other schemes /plans of the mutual fund) by investors. Computation of load	Assumed NAV Rs. 11.00 per unit. Exit Load: 1% $\text{Sale Price} = \text{NAV} - (\text{exit load (\%)} * \text{NAV})$ $\text{Sale Price} = 11 - (1\% * 11)$ $\text{Sale Price} = 11 - 0.11$ $\text{Sale Price} = \text{Rs. } 10.89$

	<p>Redemption Price will be calculated up to four decimal places for the Scheme.</p> <p>If the Scheme has no Exit Load, the Redemption Price will be equal to the Applicable NAV.</p> <p>Investors may note that the AMC has a right to modify the existing Load structure in any manner or introduce/ change Exit Load or a combination of Exit Load and or any other Load subject to a maximum as prescribed under the Regulations and with prospective effect only.</p> <p>The Mutual Fund will offer that the redemption price will not be lower than 95% of the applicable NAV.</p>
IDCW Policy	<p>Growth Option:</p> <p>Under the Growth option, there will be no distribution of income and the return to investors will be only by way of capital gains, if any, through redemption at applicable NAV of Units held by them</p> <p>Income Distribution cum Capital Withdrawal (IDCW) Option:</p> <p>Under the Income Distribution cum Capital Withdrawal (IDCW) option, the Trustees may declare IDCW subject to the availability of distributable surplus calculated in accordance with SEBI (MF) Regulations. The actual declaration of IDCW and the frequency of distribution will be entirely at the discretion of the Trustees. The IDCW would be paid to the Unitholders whose names appear in the Register of Unitholders as on the record date. There is no assurance or guarantee to the Unitholders as to the rate of IDCW nor that would the IDCW be paid regularly. If the Scheme declares IDCW, the NAV will stand reduced by the amount of IDCW and IDCW distribution tax (if applicable) paid. All the IDCW payments shall be in accordance and compliance with SEBI Regulations, as applicable from time to time.</p> <p>The IDCW can be distributed out of investors capital (equalization reserve), which is part of sale price that represents realized gains.</p> <p>As per SEBI Circular No. SEBI/HO/IMD/IMD-I DOF2/P/CIR/2022/161 dated November 25, 2022, IDCW will be paid on the number of units held by the unit holder on the record date as per the records of CAMS (the Registrar) and /or as per the records maintained by depositories. The record date shall be announced by issue of notices in two newspapers 2 working days in advance of the record date.</p> <p>The IDCW warrants shall be dispatched to the Unit holders within 7 working days of the date of declaration of IDCW. In the event of failure of despatch of IDCW within the stipulated 7 working days period the AMC will pay a penalty interest rate of 15% per annum calculated from the record date.</p> <ul style="list-style-type: none"> • In case of Unit holders having a bank account with certain banks with whom the Mutual Fund would have an arrangement from time to time, the IDCW proceeds shall be directly credited to their account.

	<ul style="list-style-type: none"> • The IDCW will be paid by warrant and payments will be made in favour of the Unit holder (registered holder of the Units or, if there is more than one registered holder, only to the first registered holder) with bank account number furnished to the Mutual Fund (please note that it is mandatory for the Unit holders to provide the Bank account details as per the directives of SEBI). • Further, the IDCW proceeds may be paid by way of ECS /EFT / NEFT / RTGS / any other manner through which the investor's bank account specified in the Registrar & Transfer Agent's records is credited with the IDCW proceeds as per the instructions of the Unit holders. <p>In case the IDCW amount is less than 500 rupees than it will be compulsorily reinvested.</p>
Allotment	<p>All applicants whose amount is received towards Purchase of Units have been realized will receive full and firm allotment of Units, provided the Application Forms are complete in all respects and are found to be in order. The AMC/Trustee retains the sole and absolute discretion to reject any Application Form.</p> <p>The said discretion shall be used by the AMC/Trustee in various scenarios like receiving money from Third party or dubious sources or from clients of high risk jurisdictions.</p> <p>The investors will receive confirmation specifying the number of Units allotted by way of electronic mail and/or SMS to the investor's registered e-mail address and/or mobile number as soon as possible but not later than five working days from the date of receipt of the application.</p> <p>In case of investors opting to hold the Units in physical mode, an account statement will be sent by ordinary post/courier/secured encrypted electronic mail to each Unit Holder, stating the number of Units purchased, not later than 5 Business Days (or such number of days as may be permitted under the SEBI (MF) Regulations).</p> <p>In case of investors opting to hold the Units in dematerialized form, an account statement could be obtained from the Depository Participants.</p>
Dematerialization of Units	<p>The applicants intending to hold Units in dematerialized mode will be required to have a beneficiary account with a Depository Participant of the NSDL/CDSL and will be required to mention in the Application Form details of the Depository Participant's name, Depository Participant ID Number and the beneficiary account number of the applicant held with the Depository Participant. at the time of purchasing Units. The Account Statement will be sent to those Unit Holders who have opted to hold Units in physical (non-dematerialized) form. However, if the Unit Holder so desires to hold the Units in a dematerialized form at a later date, he will be required to have a</p>

	beneficiary account with a Depository Participant of the NSDL/CDSL and will have to submit the account statement alongwith the prescribed request form to any of the ISCs for conversion of Units into demat form. The AMC will issue the Units in dematerialized form to the Unit holder within two Business Days from the date of receipt of such request. Units held in demat form are freely transferable
Rematerialisation of Units	<p>Rematerialization of Units can be carried out in accordance with the provisions of SEBI (Depositories and Participants) Regulations, 1996 as may be amended from time to time. The process for rematerialisation of Units will be as follows:</p> <ul style="list-style-type: none"> • Unit Holders/investors should submit a request to their respective Depository Participant for rematerialisation of Units in their beneficiary accounts. • Subject to availability of sufficient balance in the Unit Holder /investor's account, the Depository Participant will generate a Rematerialisation Request Number and the request will be dispatched to the AMC/Registrar. • On acceptance of request from the Depository Participant, the AMC/Registrar will dispatch the account statement to the investor and will also send electronic confirmation to the Depository Participant

Redemption Process	As per SEBI Circular No. SEBI/HO/IMD/IMD-I DOF2/P/CIR/2022/161 dated November 25, 2022, the redemption or repurchase proceeds

shall be dispatched to the unitholders not later than 3 working days from the date of redemption or repurchase, once the scheme opens for the same. The Unit Holder has the option to request for Redemption either in amount in rupees or in number of Units. Units purchased by cheque may not be redeemed until after realization of the cheque. In case the investor mentions the number of Units as well as the amount, then the amount will be considered for processing the Redemption request. In case the investor mentions the number of units or the amount in words and figures, then the value in words will be taken for processing the Redemption request. If the redemption request amount exceeds the balance lying to the credit of the Unitholder's said account, then the fund shall redeem the entire amount lying to the credit of the Unitholder's account in that Scheme/Option.

If an investor has purchased Units on more than one Business Day, the Units purchased prior in time (i.e. those Units which have been held for the longest period of time), are deemed to have been redeemed first, i.e. on a First In First Out Basis

The minimum amount in rupees for Redemption shall be 1,000/- or account balance whichever is less. Investor may note that upon the processing of part redemption/switch out request, if the account balance in the scheme falls below Rs. 1000/- then the same will be redeemed/switched out along with the said request.

Where Units under a Scheme are held under both Regular and Direct Plan and the redemption / Switch request pertains to the Direct Plan, the same must clearly be mentioned on the request (along with the folio number), failing which the request would be processed from the Regular Plan. However, where Units under the requested Option are held only under one Plan, the request would be processed under such Plan

a. Redemption through physical applications:

A Transaction Slip or Common Transaction Form (CTF) can be used by the Unit Holder to request for Redemption. The requisite details should be entered in the Transaction Slip or Form and submitted at an ISC. Transaction Slips or the CTF can be obtained from any of the ISCs.

Payment of Proceeds Resident Investors:

Redemption proceeds will be paid to the investor through Real Time Gross Settlement (RTGS), NEFT, Direct Credit, Cheque or Demand Draft.

a) If investor had provided IFSC code in the application form, by default redemption proceeds shall be to be credited to Investor's account through RTGS/NEFT.

b) If Investor has neither provided RTGS code nor the NEFT code but have a bank account with Banks with whom the Fund would has an

	<p>arrangement for Direct Credit from time to time, the proceeds will be paid through direct credit.</p> <p>c) In case if investor bank account does not fall in the above a to b categories, redemption proceeds will be paid by cheques/demand drafts, marked "Account Payee only" and drawn in the name of the sole holder / first-named holder (as determined by the records of the Registrar).</p> <p>The bank name and bank account number, as specified in the Registrar's records, will be mentioned in the cheque/demand draft. The redemption proceeds will be sent by courier or (if the addressee city is not serviced by the courier) by registered post/UCP. The dispatch for the purpose of delivery through the courier / postal department, as the case may be, shall be treated as delivery to the investor. The AMC / Registrar are not responsible for any delayed delivery or non-delivery or any consequences thereof, if the dispatch has been made correctly as stated in this paragraph.</p> <p>The AMC reserves the right to change the sequence of payment from (a) to (c) without any prior notice</p> <p>Note: The AMC, at its discretion at a later date, may choose to alter or add other modes of payment. The Redemption proceeds will be sent by courier or (if the addressee city is not serviced by the courier) by registered post. or credit the amount to the Foreign Currency account or Nonresident Rupee account of the FPI maintained in accordance with the approval granted to it by the RBI. The Fund will not be liable for any delays or for any loss on account of any exchange fluctuations while converting the Rupee amount in foreign exchange in the case of transactions with NRIs / FPIs.

The proceeds may be paid by way of direct credit through which the investor's bank account specified in the Registrar's records is credited with the Redemption proceeds. The Direct Credit facility is available for specific banks with whom AMC have a tie up from time to time. Investors need to check with the AMC for an updated list of the Direct Credit Banks. Investors having bank mandates where the AMC has a Direct Credit facility will receive redemption / IDCW proceeds by way of Direct Credit only and not cheques.

The Fund may make other arrangements for effecting payment of Redemption proceeds in future.

Application through Stock Exchange Infrastructure (MFSS/ BSE StAR MF Platform):

Investors wishing to redeem their units held in demat mode in Scheme listed on MFSS and BSE StAR MF platform, can place their redemption request with the AMFI Certified Stock Exchange Brokers by providing Depository Instruction Slip with redemption details. The AMFI Certified Stock Exchange Broker will place the redemption order in the system and will provide a confirmation slip to the investor. The redemption proceeds will be directly credited to the investor's bank account, as per the bank account details recorded with the Depository Participant.

Application through Mutual Fund Website:

AMC has enabled facility to transact online in units of the schemes including by way of Redemption of Units by electronic mode through website www.iiflmutfund.com redirecting to www.camsonline.com. - On acceptance of an application for subscription or allotment of units (including by way of SIP, STP, switch units), an allotment confirmation specifying the number of units allotted will be sent by way of an email and/or an SMS, within 5 Business Days from the date of receipt of the application, to the Unit holder's registered e-mail address and/or mobile number.
- Thereafter, the Unit Holder will be sent, on or before the 15th of the immediately succeeding month, by way of a mail / an e-mail, a CAS, containing the details of the transaction mentioned above as well as details of all other transactions effected by the Unit holder across schemes of all mutual funds during the preceding month, including his/her/its holdings at the end of the said month and details of transaction charges paid to distributors, as applicable. Investors may note that CAS will be issued on a monthly basis to all investors in whose folios transactions have taken place during the month concerned.
- For the purpose of sending CAS, common investors across mutual funds shall be identified by their PAN.
- For those investors / unit holders who have provided an e-mail address, CAS will be sent by way of an e-mail.
- In case of a specific request received from a Unit holder for a separate account statement, the AMC/Fund will provide such an account statement to the Unit Holder concerned, within 5 Business Days from the receipt of the request.
- In the event of inability to send CAS, for any reason whatsoever, or on receipt of specific requests from unit holders/investors, the AMC will send separate account statements.
- In the event of a folio having more than one registered holder, the first named Unit holder will receive the CAS / account statement.
- For folio(s) that are not updated with PAN details, it will not be possible to e-mail / mail CAS to the Unit holders concerned. It is therefore in the interest of Unit holders to ensure that their folios are updated with their PAN details.
- The Consolidated Account Statement issued is a statement containing details relating to all financial transactions made by an investor across all mutual funds viz. purchase, redemption, switch, Payout of Income Distribution cum capital withdrawal option, Reinvestment of Income

	<p>Distribution cum capital withdrawal option, systematic investment plan, systematic withdrawal plan, systematic transfer plan, bonus etc. (including transaction charges paid to the distributor) and holding at the end of the month. The CAS shall also provide the total purchase value / cost of investment in each scheme.</p> <ul style="list-style-type: none"> • Consolidated account statement shall be issued every half yearly (September/March), on or before 21st day of succeeding month, providing the following information: - holding at the end of the six months - The amount of actual commission paid by AMCs/Mutual Funds (MFs) to distributors (in absolute terms) during the half-year period against the concerned investor's total investments in each MF scheme. • Further, a mention may be made in such CAS indicating that the commission disclosed is gross commission and does not exclude costs incurred by distributors such as Goods and Service Tax (wherever applicable, as per existing rates), operating expenses, etc. The scheme's average Total Expense Ratio (in percentage terms) for the half-year period for each scheme's applicable plan (regular or direct or both) where the concerned investor has actually invested in. Such half-yearly CAS shall be issued to all MF investors, excluding those investors who do not have any holdings in MF schemes and where no commission against their investment has been paid to distributors, during the concerned half-year period. Investors having MF investments and holding securities in Demat account shall receive a single Consolidated Account Statement (CAS) from the Depository. • Consolidation of account statement shall be done on the basis of Permanent Account Number (PAN). In case of multiple holding, it shall be PAN of the first holder and pattern of holding. The CAS shall be generated on a monthly basis. • If there is any transaction in any of the Demat accounts of the investor or in any of his mutual fund folios, depositories shall send the CAS within fifteen days from the month end. In case, there is no transaction in any of the mutual fund folios and demat accounts then CAS with holding details shall be sent to the investor on half yearly basis. • In case of multiple holding, it shall be the PAN of the first holder and pattern of holding. Based on the PANs provided by the AMCs/MF-RTAs, the Depositories shall match their PAN database to determine the common PANs and allocate the PANs among themselves for the purpose of sending CAS. For PANs which are common between depositories and AMCs, the Depositories shall send the CAS. In case investors have multiple accounts across the two depositories, the depository having the demat account which has been opened earlier shall be the default depository which will consolidate details

However, option shall be given to the demat account holder by the default depository to choose the depository through which the investor wishes to receive the CAS. In case of demat accounts with nil balance and no transactions in securities and in mutual fund folios, the depository shall send the account statement to the investor as specified under the regulations applicable to the depositories. The dispatch of CAS by the depositories would constitute compliance by the AMC/ the Fund with the requirement under Regulation 36(4) of SEBI (Mutual Funds) Regulations.</p> <p>However, the AMC reserves the right to furnish the account statement in addition to the CAS, if deemed fit in the interest of investor(s).</p>
IDCW	<p>The IDCW warrants, if any shall be dispatched to the Unitholders within 7 working days of the date of declaration of the IDCW.</p> <p>IDCW may also be paid to the Unitholder in any other manner viz., through ECS, Direct Credit or NEFT in to Bank account, RTGS facility offered RBI or through Banker's cheque, etc as the AMC may decide, from time to time for the smooth and efficient functioning of the Scheme.</p> <p>Please note that it is mandatory for the unitholders to provide the bank account details as per SEBI guidelines.</p>
Delay in payment of redemption/repurchase proceeds	<p>As per SEBI Circular No. SEBI/HO/IMD/IMD-I DOF2/P/CIR/2022/161 dated November 25, 2022, the AMC shall be liable to pay interest to the unitholders at 15% per annum rate the interest and it shall be borne by the AMC</p>
The policy regarding reissue of repurchased units, including the maximum extent, the manner of reissue, the entity (the scheme or the AMC) involved in the same.	<p>Not applicable.</p>
Applicability of Stamp Duty on Mutual Fund Transactions	<p>Pursuant to Notification No. S.O. 4419(E) dated December 10, 2019, notification no. G.S.R. 19 (E) dated the January 8, 2020, Notification No. G.S.R. 226(E) dated March 30, 2020 issued by Department of Revenue, Ministry of Finance, Government of India, read with Part I of Chapter IV of Notification dated February 21, 2019 issued by Legislative Department, Ministry of Law and Justice, Government of India on the Finance Act, 2019, a stamp duty @ 0.005% of the transaction value would be levied on mutual fund transactions including switches(excluding redemptions), with effect from July 01, 2020. Accordingly, pursuant to levy of stamp duty, the number of units</p>

	allotted on purchase transactions (including IDCW reinvestment) to the unitholders would be reduced to that extent. Further eligible transfer of dematerialised units will attract a stamp duty @0.015%.
Restrictions, if any, on the right to freely retain or dispose of units being offered.	The Units of the Scheme are not transferable except units of the scheme held in demat mode. In view of the same, additions/ deletion of names will not be allowed under any folio of the Scheme. However, the said provision will not be applicable in case a person (i.e. a transferee) becomes a holder of the units by operation of law or upon enforcement of pledge, then the AMC shall subject to production of such satisfactory evidence and submission of such document, proceed to effect the transfer, if the intended transferee is otherwise eligible to hold the units of the scheme. The above provisions in respect of deletion of names will not be applicable in case of death of unit holder (in respect of joint holdings) as this is treated as transmission of units and not transfer.
Right to Limit Fresh Subscription	The Trustees reserve the right to stop fresh subscription of units. The Trustees reserve the right at its sole discretion to withdraw/suspend the subscription of units in the Scheme temporarily or indefinitely, at the time of NFO or otherwise, if it is viewed that increasing the size of the Scheme may prove detrimental to the Unit holders of the Scheme. An order to purchase the Units is not binding on and may be rejected by the AMC unless it has been confirmed in writing by the AMC.
Suspension of Sale and Redemption of Units	The Trustee may decide to temporarily suspend determination of NAV of the Scheme and consequently sale and redemption of units, in any of the following events: <ol style="list-style-type: none"> 1. When one or more stock exchanges or markets, which provide basis for valuation for a substantial portion of the assets of the Scheme are closed otherwise than for ordinary holidays. 2. When, as a result of political, economic or monetary events or any circumstances outside the control of the Trustee and the AMC, the disposal of the assets of the Scheme is not reasonable or would not reasonably be practicable without being detrimental to the interests of the Unit holders. 3. In the event of breakdown in the means of communication used for the valuation of investments of the Scheme without which the value of the securities of the Scheme cannot be accurately calculated. 4. During periods of extreme volatility of markets which in the opinion of the AMC are prejudicial to the interests of the Unit holders of the Scheme.

	<p>5. In case of natural calamities, external aggression, internal disturbances, strikes, riots and bandhs.</p> <p>6. In the event of any force majeure or disaster that affects the normal functioning of the AMC or the Registrar.</p> <p>7. If so directed by SEBI.</p> <p>In the above eventualities mentioned above the time limits indicated above, for processing of requests for purchase and redemption of units will not be applicable.</p> <p>However, the suspension or restriction of redemption facility under the Scheme shall be made applicable only after the approval from Board of Directors of AMC and Trustee. Till the Regulations require, the approval from the Board of Directors of AMC and Trustee giving details of circumstances and justification for the proposed action will also be informed to SEBI in advance.</p> <p>Right To Limit Redemptions:</p> <p>The AMC may, in the general interest of the Unit holders of the Scheme, keeping in view the unforeseen circumstances/unsure conditions, limit the total number of Units which may be redeemed on any Business Day to 5% of the total number of Units then in issue under the Scheme/plan/option (or such higher percentage as the AMC may decide in any particular case). In addition, the Trustee reserves the right, in its sole discretion, to limit Redemptions with respect to any single investor/unitholder to an amount upto Rs. 10 Crore on a single Business Day. Restrictions may be imposed under the following circumstances that leads to a systemic crisis or event that severely constricts market liquidity or the efficient functioning of markets.</p> <ol style="list-style-type: none"> Liquidity issues - When markets at large become illiquid affecting almost all securities rather than any issuer specific security. Market failures, exchange closures - When markets are affected by unexpected events which impact the functioning of exchanges or the regular course of transactions. Such unexpected events could also be related to political, economic, military, monetary or other emergencies. Operational issues - When exceptional circumstances are caused by force majeure, unpredictable operational problems and technical failures (e.g. a black out). <p>Under the aforesaid circumstances, the AMC / Trustee may restrict redemption for a specified period of time not exceeding 10 working days in any 90 days period. Any imposition of restriction would require specific approval of Board of AMCs and Trustees and the same should be informed to SEBI immediately. Unitholders should</p>

Bank Account Details	<p>As per the directives issued by SEBI, it is mandatory for applicants to mention their bank account numbers in their applications for purchase or redemption of Units. If the Unit-holder fails to provide the Bank mandate, the request for redemption would be considered as not valid and the Fund retains the right to withhold the redemption until a proper bank mandate is furnished by the Unit-holder and the provision with respect of penal interest in such cases will not be applicable/ entertained.</p> <p>Multiple Bank Account Registrations:</p> <p>In compliance with AMFI Best Practice Guidelines Circular No.17/2010-11 dated October 22, 2010, IIFL Mutual Fund offers its investors the facility to register multiple bank accounts in their folios to receive redemption / IDCW proceeds.</p> <p>Salient features of the Multiple Bank Account Registration facility are as below:</p> <ul style="list-style-type: none"> • Individual and Hindu Undivided Family (HUF) investors will be allowed to register 5 bank accounts and non-individual investors will be allowed to register up to 10 bank accounts. • Multiple Bank Registration Form will allow investors to do the following: <p>Part A – Registering Multiple Bank Accounts Part B – Registering Default Bank Account. Part C – Deleting of Registered Bank Account</p> <p>The unit holder can choose any one of the registered bank accounts as default bank account. However, in case a unit holder does not specify the default bank account, the Fund reserves the right to designate any of the registered bank accounts as default bank account. Unit holders may also note that the registered bank accounts may also be used for verification of pay-ins (i.e. receiving of subscription funds) to ensure that a third party payment is not used for mutual fund subscription.</p> <p>The following documents will be required for the registration of the bank accounts:</p> <p>A cancelled original cheque leaf or a self attested copy of the cheque leaf wherein the account number and name(s) of the account holders</p>

	<p>are printed on the face of the cheque. In case the names are not so mentioned, the customer can submit a certificate from the bank or the bank account statement or a copy of the bank pass book which contain the details of the account such as name and address of the customer, bank account number, bank branch and address, MICR and IFSC code of the branch.</p> <p>The above documents will also be required for change in bank account mandate submitted by the investor.</p>
Cash Investments	<p>Pursuant to SEBI circular dated September 13, 2012 and SEBI circular dated May 22, 2014, it is permitted to accept cash transactions to the extent of Rs. 50,000/- subject to compliance with Prevention of Money Laundering Act, 2002 and Rules framed there under and the SEBI Circular(s) on Anti Money Laundering (AML) and other applicable AML rules, regulations and guidelines. Provided that the limit shall be applicable per investor for investments done in a financial year across all schemes of the Mutual Fund, subject to sufficient systems and procedures in place for such acceptance. However any form of repayment either by way of redemption, IDCW, etc. with respect to such cash investment shall be paid only through banking channel.</p> <p>The Asset Management Company is in process of implementing adequate systems and controls to accept Cash Investment in the Scheme. Information in this regard will be provided to Investors as and when the facility is made available.</p>

a. Systematic Investment Plan (SIP)

This facility enables investors to save and invest periodically over a longer period of time. It is a convenient way to “invest as you earn” and offers the investor an opportunity to enter the market regularly, thus averaging the acquisition cost of Units. SIP allows investors to invest a fixed amount of Rupees on specific dates every month or quarter by purchasing Units of the Scheme at the Purchase Price prevailing at such time. Any unit holder can avail of this facility subject to certain terms and conditions contained in the Application form. The SIP payments can be made either by issue of Post Dated Cheques or by availing the Direct Debit Facility through ECS. SIP for investments is available at weekly, fortnightly, monthly and quarterly frequencies. Following are the details of minimum amount and default dates:

Frequency	Minimum amount and instalments	Dates	Default dates
Weekly*	Rs. 1000 per instalment for a minimum period of 6 weeks	Every Tuesday	-
Fortnightly*	Rs. 1000 per instalment for a minimum period of 6 fortnights	2 nd & 16 th of every month	-

Quarterly	Rs. 1500 per instalment for a minimum period of 4 quarters	Any date: 1 st to 28 th	7 th

Note:* Weekly and Fortnightly SIP frequencies are not available on BSE STAR MF platform.

If frequency of SIP is not mentioned, the default frequency will be Monthly.

FACILITY OF NATIONAL AUTOMATED CLEARING HOUSE (NACH) PLATFORM

In addition to existing facility available for payments through Electronic Clearing Service (ECS)/Direct Debits/ Postdated cheques/Standing Instructions for investments in SIP, the unit holders can now also make payment of SIP instalments through NACH facility. NACH is a centralized system, launched by National Payments Corporation of India (NPCI) with an aim to consolidate multiple Electronic Clearing Service (ECS) mandates. This facility will enable the unit holders of the Fund to make SIP investments through NACH by filling up the SIP Registration cum mandate form. A Unique number will be allotted to every mandate registered under NACH called as Unique Mandate Reference Number (“UMRN”) which can be used for SIP transactions. The NACH facility shall be available subject to terms and conditions contained in the SIP registration Mandate Form and as prescribed by NPCI from time to time.

The minimum SIP installment amount is Rs. 1000/- The load structure prevailing at the time of submission of the SIP application (whether fresh or extension) will apply for all the installments indicated in such application. Investors should note that an application for SIP should be submitted at any of the AMC/CAMS Investor Service Centres as listed in the application form. For applicable load on Purchases through SIP, please refer to the Section IV, Fees and Expenses, sub-section C. Load Structure.

Micro SIP

SIPs upto Rs. 50,000/- per year per investor i.e. aggregate of installments in a rolling 12 month period or in a financial year shall be referred to as ‘Micro SIP’. For further details on Micro SIP, please refer to SAI and the SIP Application Form.

SIP STEP UP facility:

SIP STEP-UP Facility provides flexibility to Investors to increase the amount of the SIP instalment by a fixed amount at pre-defined intervals during the tenure of the SIP. The features and terms and conditions applicable to this Facility are as follows:

1. SIP STEP-UP frequency in case of investors availing Monthly SIP facility will be half yearly and yearly.
2. SIP STEP-UP frequency in case of investors availing Quarterly SIP facility will be yearly.
3. In case the SIP STEP-UP frequency is not indicated under Monthly SIP, it will be considered as yearly interval.
4. This facility will allow investors (including existing investors) to opt for STEP-UP in their SIP, which are routed through electronic mode only (the STEP-UP Facility is not available for SIP through post-dated cheques).

5. Investors/unit holders subscribing for the STEP-UP facility are required to submit the request at least 30 days prior to the SIP date. In case the request is not received at least 30 days prior to the SIP date, the STEP-UP will be applicable from the next effective SIP instalment.
6. The minimum STEP-UP amount is Rs. 500/- and in multiples of Rs. 500/- thereafter.
7. Default STEP-UP amount: If the investor does not specify the STEP-UP amount, the default amount for STEP-UP will be considered as Rs. 500/-, and the application form shall be processed accordingly.
8. Once enrolled in case the Investor wants to modify the STEP-UP details, the investor must cancel the existing SIP STEP-UP and enroll for a new SIP STEP-UP with the desired STEP-UP details.
9. SIP STEP-UP will not be allowed in case of Micro Investments.
10. STEP-UP Cap Amount: Investor has an option to freeze the SIP STEP-UP amount once it reaches a fixed predefined amount.
11. Maximum amount: It is the upper most limit per transaction set by the investor for his registered bank account to be debited through the One Time Mandate (OTM). If the maximum amount set in the OTM is less than the Cap amount, a new OTM needs to be registered with the revised maximum amount. Till the time a revised OTM with change in maximum amount is submitted, the existing maximum amount will be considered as the STEP-UP Cap amount. Along with new OTM, a revised STEP-UP form also needs to be submitted with the STEP-UP Cap amount.
12. In case the SIP frequency is perpetual then the investor has to mention the STEP-UP Cap amount.
13. This facility is not available on NSE MFSS/ BSE STAR MF and MFU platforms.
14. All other terms & conditions applicable for regular SIP Facility will also be applicable to STEP-UP Facility.

SIP Pause facility:

Unitholders will also have an option to temporarily pause the SIP instalments for a specific period of time. Upon expiry of the specified period, the SIP installments would re-start automatically.

The important terms and conditions of the Facility are as follows:

1. The facility shall be available only for SIPs registered under monthly and quarterly frequencies.
2. Investor / unit holders can opt for the facility only once during the tenure of the SIP.
3. The minimum gap between the pause request and next SIP installment date should be at least 15 calendar days.
4. The facility shall get activated from immediate next eligible installment from the date of receipt of SIP Pause request.
5. The facility can be opted for minimum 1 installment and up to a maximum of 3 installments.
6. The facility shall not be available for SIP registered through Mutual Fund Utility ("MFU").
7. The facility will be available through submission of physical form, website of IIFL Mutual Fund, BSE and NSE (NMF II & MFSS) mode.
8. In case of SIP Step-Up registered in a folio, if the next SIP Step-Up installment falls during the SIP Pause period, the SIP installment after the completion of Pause period will be inclusive of such SIP Step-up amount. For eg. If current installment amount is 3000, if the SIP pause period is 15.03.2023 to 15.05.2023 and the next SIP Step-Up falls on 31.03.2023 for an amount of 2000. The SIP installment after the end of Pause period i.e. on 15.06.2023 will be 5000.
9. SIP pause cancellation request must be submitted at least 15 days prior to the next SIP installment date.

b. Systematic Transfer Plan (STP)

This facility enables the unitholders to switch an amount from their existing investments in a Scheme/Option of the Fund, which is available for investment at that time at periodic intervals through a one time request. The switch can be made either daily, weekly, fortnightly or monthly. Under this facility the switch by the unit holders should be within the same account/folio number. The unitholder has to fulfill the following criteria in order to avail of the Systematic Transfer Plan –

- a) A Unit Holder has to have a minimum balance of Rs. 10,000/- in a scheme
- b) the minimum amount as stated in the offer document of the respective transferor scheme, whichever is higher
- c) A minimum of 6 such transfers has to be submitted for the STP

The transfer will be effected by way of a switch, i.e. redemption of Units from one Scheme and investment of the proceeds thereof, in the other Scheme at the then prevailing terms of both Scheme. All transactions by way of STP shall, however, be subject to the terms (other than minimum application amount) of the target Scheme. A Unit Holder who opts for an STP has the choice of switching (i) a fixed amount or (ii) an amount equal to the periodic appreciation on his/her/its investment in the Scheme from which the transfer is sought, as detailed below:

Fixed Amount Option

Under this alternative, a Unit Holder may switch a fixed amount of at least Rs. 1,000/- per transaction and the 'STP Date' for the switch will be as under.

- a) where a daily STP is opted for, the commencement date for transfers shall be the 5th working day from the date of receipt of a valid request and thereafter, transfers shall be effected on all business days at NAV based prices, subject to applicable load
- b) where a weekly STP is opted for, the STP Date shall be the 1st, 7th, 14th or 21st, as the case may be, for the period concerned
- c) where a fortnightly STP is opted for, the STP Date shall be the 1st, 7th, 14th or 21st, as the case may be. For example if the investor selects 1st then the next date could be 14th or if he selects 7th then the next date could be 21st of the month
- d) where a monthly STP is opted for, the STP Date shall be the 1st, 7th, 14th or 21st, as the case may be, of the month concerned.

The Units in the Scheme/Option from which the switch – out is sought will be redeemed at the Applicable NAV of the Scheme/Option on the respective dates on which such switches are sought and the new Units in the Scheme/Option to which the switch – in is sought will be created at the Applicable NAV of such Scheme/Option on the respective dates. In case the day on which the transfer is sought is a non business day for the Scheme, the same will be processed on the immediately following business day.

Appreciation Option

Under this option, the Unitholder can seek switch of an amount equal to the periodic appreciation on the investment. This facility is available only under monthly frequency. Under this option the Unit holder

switches only proportionate number of Units, which when multiplied by the applicable NAV is, in amount terms equal to the appreciation in the investment over the last month.

The investor has to mention a “Start Date”. The ‘STP Date’ available under this alternative are 1st, 7th, 14th or 21st of the month. The first switch will happen after one month from the start date. In case the investor purchases additional Units, the amount to be switched would be equal to the appreciation generated on such Units, provided the appreciation is atleast Rs. 1000/-. In the absence of any appreciation or appreciation less than Rs. 1000/- as mentioned above, the switch under this option will not be made for that month. The Units in the Scheme/ Option from which the switch – out is sought will be redeemed at the Applicable NAV of the Scheme/Option on the respective dates on which such switches are sought and the new Units in the Scheme/ Option to which the switch – in is sought will be allotted at the Applicable NAV of such Scheme/Option on the respective dates. In case the day on which the transfer is sought is a non-business day for the Scheme, the same will be processed on the immediately following business day.

c. Systematic Withdrawal Plan (SWP)

This facility enables the Unitholders to withdraw sums from their Unit accounts in the Scheme at periodic intervals through a one-time request. The withdrawals can be made on Monthly basis on 1st, 7th, 14th or 21st of every month or 13th of bi-month. The bi-monthly frequency shall be the default option for availing the SWP facility by the investor. It shall mean that if the investor does not select either of the options for the SWP facility, the bi-monthly option shall be considered as the default option along with the specified date as 13th for the investor. In case the chosen date falls on a Non-Business Day, the SWP will be processed on the immediate next Business Day. This facility is available in two options to the Unitholders:

Fixed Option:

Under this option, the Unitholder can seek redemption of a fixed amount of not less than Rs. 1000/- from his Unit account. In this option the withdrawals will commence from the Start Date (being one of the dates indicated above) mentioned by the Unitholder in the Application Form for the facility. The Units will be redeemed at the Applicable NAV of the respective dates on which such withdrawals are sought. In case the day on which the withdrawal is sought is a non-business day for the Scheme, the same will be processed on the immediately following business day.

Appreciation Option:

Under this option, the Unitholder can seek redemption of an amount equal to a periodic appreciation on the investment. The Unitholder redeems only such number of Units, which when multiplied by the Applicable NAV is, in amount terms equal to the appreciation in his investment over the last month provided the appreciation is atleast 1000/-. In the absence of any appreciation or appreciation less than 1000/- as mentioned above, the withdrawal under this option will not be made for that month. The investor would need to indicate in his systematic withdrawal request, the commencement / start date from which the appreciation in investment value should be computed.

The withdrawal will commence after one month from the commencement / start date mentioned by the Unitholder in the application Form and can, at the investor’s discretion be on 1st, 7th, 14th or 21st of the month or 13th of bi-month. The Units will be redeemed at the Applicable NAV of the respective dates on which such withdrawals are sought. In case the day on which the withdrawal is sought is a non business day for the Scheme, the same will be processed on the immediately following business day. In case the investor purchases additional Units, the withdrawal amount would include the appreciation generated on such Units as well. In the absence of any appreciation or appreciation less than Rs. 1000/-, the redemption under this option will not be made.

Note: Investors who avail of either SIP, SWP or STP facility can at any time opt out of the facilities or can purchase, redeem or switch outside these facilities at their convenience.

The purpose of the above illustration is to explain the impact of expense ratio of the scheme. Above calculation are bases on assumed NAV and Expenses. The actual NAV, expenses and return on your investment may be more or less.

C. LOAD STRUCTURE

Load is an amount which is paid by the investor to subscribe to the units or to redeem the units from the Scheme. This amount is used by the AMC to pay commissions to the distributor and to take care of other marketing and selling expenses. Load amounts are variable and are subject to change from time to time.

For the current applicable structure, please refer to the website of the AMC www.iifl.com or may call at toll free no. 1800-2108-606 or your distributor.

Entry Load: In terms of SEBI Circular No. SEBI/IMD/CIR No. 4/168230/09 dated June 30, 2009, no entry load will be charged on purchase / additional purchase / switch-in. The upfront commission, if any, on investment made by the investor shall be paid by the investor directly to the Distributor, based on his assessment of various factors including the service rendered by the Distributor.

Exit Load:

Investor exit upon subscription	Exit load as a % of redemption proceeds
Day 1	0.0070%
Day 2	0.0065%
Day 3	0.0060%
Day 4	0.0055%
Day 5	0.0050%
Day 6	0.0045%
Day 7 onwards	0.0000%

In accordance with the requirements specified by the SEBI circular no. SEBI/IMD/CIR No.4/168230/09 dated June 30, 2009, no Entry Load will be charged for Purchase/additional Purchase/Switch-in accepted by the Fund.

Transaction charge:

In terms of SEBI circular no. CIR/ IMD/ DF/ 13/ 2011 dated August 22, 2011, as amended from time to time, in case of purchases/subscriptions/new inflows only (lump sum and SIP), of Rs.10,000/ – and above per subscription; transaction charge shall be levied and be paid to the distributors/ brokers (who have opted in for charging the transaction charge based on the '**type of product**') in respect of applications routed through them, subject to the following:

- For Existing / New investors: Rs.100 / Rs.150 as applicable per subscription of Rs.10,000/ – and above
- Transaction charge for SIP shall be applicable only if the total commitment through SIP amounts to Rs.10,000/ – and above. In such cases the transaction charge would be recovered in maximum 3/4 successful installments.
- There shall be no transaction charge on subscription below Rs.10,000/-.
- There shall be no transaction charges on direct investments.
- There shall be no transaction charges in case of Switch, DTP, STP, SWP.

The Transaction Charge as mentioned above shall be deducted by AMC from the subscription amount of the unit holder and paid to the distributor. The balance amount shall be invested in the Scheme.

The statement of account will state the net investment i.e gross subscription less transaction charge and will state the number of units allotted against the net investment.

The upfront commission on investment made by the investor, if any, shall be paid to the AMFI registered distributor directly by the investor, based on the investor's assessment of various factors including service rendered by the distributor.

Calculation of transaction charge and balance subscription amount in case of subscription routed through distributor is explained as follows:

(In INR)

Subscription Amount (A)	For existing investors in a Mutual Fund		For first time investor in Mutual Funds	
	Transaction charge (B)	Balance Subscription Amount (A-B)	Transaction charge (C)	Balance Subscription Amount (A-C)
10,000	100	9900	150	9850
9,999	NIL	9999	NIL	9999
10,00,000	100	999900	150	999850

Note: Balance subscription amount will be invested and Units will be allotted at applicable NAV per unit for the balance subscription amount on an on-going basis.

Units issued on reinvestment of IDCW shall not be subject to exit load.

The AMC/Trustee retains the right to change / impose Exit Load, subject to SEBI Regulations. Any imposition or enhancement in the load shall be applicable on prospective investments only. However, AMC shall not charge any load on units allotted on reinvestment of IDCW for existing as well as prospective investors. At the time of changing the load structure, the AMC may consider the following measures to avoid complaints from investors about investment in the scheme without knowing the loads:

- (i) The addendum detailing the changes may be attached to Scheme Information Document and key information memorandum. The addendum may be circulated to all the distributors/brokers so that the same can be attached to all Scheme Information Document and key information memoranda already in stock.
- (ii) Arrangements may be made to display the addendum in the Scheme Information Document in the form of a notice in all the investor service centres and distributors/brokers office.
- (iii) The introduction of the exit load alongwith the details may be stamped in the acknowledgement slip issued to the investors on submission of the application form and may also be disclosed in the statement of accounts issued after the introduction of such load..
- (iv) A public notice shall be given in respect of such changes in one English daily newspaper having nationwide circulation as well as in a newspaper published in the language of region where the Head Office of the Mutual Fund is situated.
- (v) Any other measures which the mutual funds may feel necessary.

The investor is requested to check the prevailing Load structure of the Scheme before investing. For any change in Load structure, the AMC will issue an addendum and display it on its website at www.iiflmf.com / ISCs.

The Mutual Fund will offer that the redemption price is not lower than 95% of the applicable NAV.

D. Waiver of load for direct applications
